

## VEHICLE COLOR CODES

To ensure uniform color on all tag receipts and title certificates, the color codes in the chart below should be used. If a vehicle is one color, the appropriate three letter code describing that color is sufficient.

**Example:** White will be WHI, Black will be BLK

When describing a vehicle with more than one color, the order of listing shall be from top to bottom or front to rear. A slash ( / ) should be used to separate the color codes.

**Example:** White over Black – WHI/BLK
