MEMORANDUM

2007-8

TO: All County License Plate Issuing Officials

FROM: Billy R. Phillips, Supervisor *BRP*
Motor Vehicle Division

SUBJECT: 2012 Disability Access Parking Privilege Placards.

The Motor Vehicle Division has received information from one of our County License Plate Issuing Official's that they received a shipment of 2012 permanent disability placards and a few of the placards contained control number errors. The errors concerned the fact that the placard control number listed on the front of the placard did not match the control number listed on the back.

The vendor that is responsible for the manufacture, quality control and shipment of these placards has been notified of the problem and will investigate the matter. We are requesting that all County License Plate Issuing Official's inspect each placard prior to issuance to ensure that the control number listed on the front and back of each placard matches.

If your office has received any placard(s) with this problem, please contact the Vehicle Services Section at (334) 242-9006 or billy.phillips@revenue.alabama.gov.

Thank you for your cooperation in this matter.
