MEMORANDUM

2009-8

TO: All County License Plate Issuing Officials

FROM: Amy Bright, Supervisor *AB*
Motor Vehicle Division

SUBJECT: New Distinctive License Plates

The State Comptroller's Office has provided the Department of Revenue with the Commitment to Purchase figures for the period ending October 31, 2008. The report may be viewed at <http://www.revenue.alabama.gov/motorvehicle/mvforms/LOCReport.PDF>. The *Fight Breast Cancer* and *Spay-Neuter* license plate categories have exceeded the minimum required 1,000 pre-commitments for Quantity Class 2. **Effective immediately**, please discontinue accepting commitment-to-purchase applications for these license plate categories. The Motor Vehicle Division has contacted the sponsoring organizations, and the license plate design approval process is in progress. The tag types for these two new license plates are as follows:

| | Prenumbered | Personalized |
|----------------------------|--------------------|---------------------|
| | <u>Tag Type</u> | <u>Tag Type</u> |
| Fight Breast Cancer | CL | CQ |
| Spay-Neuter | CR | CX |

As soon as tag number schemes and expected delivery dates have been established, we will notify each county.

If you should have any questions regarding this matter, please contact the Motor Vehicle Division Registration Section at (334) 242-9006 or tags@revenue.alabama.gov.
