MEMORANDUM

2010 - 25

TO: All License Plate Issuing Officials

FROM: Mike Gamble, Assistant Director 
Motor Vehicle Division

SUBJECT: Release of Motor Vehicle Records – Clarification

This memorandum clarifies the release of motor vehicle information by county license plate issuing officials.

Effective October 1, 2010, the following changes became effective regarding requests for motor vehicle registration and/or title records as a result of Act 2010-579.

- (1) **Certified printouts** of registration and/or title records now cost **\$5.00** per request;
- (2) **Certified title histories** remain at **\$15.00** per request;
- (3) **County Officials** may only provide registration or handicap parking credentials information **solely for vehicles registered in that county** to law enforcement agencies, in carrying out their functions. All other parties requesting title and registration records are required to contact the Motor Vehicle Division. **Note: County License Plate Issuing Officials may still provide a duplicate copy of a motor vehicle registration to the registrant since this is considered a registration document rather than a registration record.**

The updated record request form (MV-DPPA1) is posted under the [Forms](#) link on the Motor Vehicle Division web-page under both Titles and Registration. In addition, **web-based records requests are now available through a link on the Motor Vehicle Division web-page at https://www.alabamainteractive.org/ador_registration/.**
