SUBJECT: *Freemason* Distinctive License Plate Category

The State Comptroller's Office has provided the Department of Revenue with the Commitment to Purchase figures for the period ending September 30, 2010. The report may be viewed at <http://www.revenue.alabama.gov/motorvehicle/mvforms/LOCReport.PDF>. The *Freemason* license plate category has exceeded the minimum required 250 pre-commitments for Quantity Class 1. **Effective immediately**, please discontinue accepting commitment-to-purchase applications for this license plate category. The Motor Vehicle Division has contacted the sponsoring organization, and the license plate design approval process is in progress. The tag types for the *Freemason* license plate are **GN 12** for the prenumbered plates and **GR 12** for the personalized plates.

As soon as tag number schemes and expected delivery dates have been established, we will notify each county.
