## **MEMORANDUM**

2013-26

**TO:** License Plate Issuing Officials

**FROM:** Brenda R. Coone, Director  
Motor Vehicle Division

**SUBJECT:** Issuance of National Guard License Plates

Mr. Mark Weeks, State Property and Disbursing Officer, State Military Department, issued a memorandum today addressing the AGO Form 7 document. Due to the government shutdown, October drills have been cancelled, thereby delaying the distribution of these forms to active guard members. As you are aware, the document is required to be surrendered by active National Guard members in order for them to obtain the National Guard license plate without paying registration fees.

Alabama National Guard members will be able to secure their AGO Form 7 during the month of October so that they can secure the Alabama National Guard license plate. Guard members may obtain these forms from their respective units.

Please be advised that the Motor Vehicle Division will promptly notify all licensing officials if any additional information becomes available regarding this matter.
