Important Notice Regarding Alabama Corporate/Partnership Signature Documents

Montgomery—The Alabama Department of Revenue (ADOR) advises that effective immediately, tax preparers and tax practitioners are no longer required to submit an electronic copy of the Form AL8453C, signature document, to the ADOR when electronically filing Alabama corporate and partnership returns.

This policy change, however, does not affect the form requirement of the AL8453C. **The AL8453C must be completed and signed by all required parties and retained by the tax preparer, along with a copy of the electronically-filed return, for review by the ADOR.**

The ADOR advises that tax preparers and tax practitioners will follow the same procedures for the AL8453C as they currently do for the signature document (Form AL8453) for Alabama individual electronically-filed returns.

For more information, contact the department's Corporate Tax Section at 334.242.1200 or visit ADOR's Web site at www.revenue.alabama.gov and e-mail the department by selecting the "Corporate Income Tax" category at <http://www.revenue.alabama.gov/incometax/mailform.cfm>.
