Alabama Small Business and Agribusiness Jobs Credit. The Alabama Small Business and Agribusiness Jobs credit expired on January 1, 2019. Any unused portion of the credit may be carried forward for a period of up to three years.

Informational Requirements

If the corporation receives distributions from Schedule K-1 income generated from a Pass-Through Entity, and the taxpayer has a credit that may be claimed on the Form 20C from the Pass-Through Entity, the taxpayer should enter the Allocable amount of the credit from the Schedule K-1 into the appropriate field on the Schedule BC and attach the Schedule K-1 to the return.

If the C-corporation will claim the Income Tax Capital Credit resulting from distributions from Schedule K-1 income generated from a Pass-Through Entity, the taxpayer must complete the Schedule BC, Section B, Part S, and attach the Form KRCC and KRCC-B to the Alabama Form 20C.

SPECIFIC INSTRUCTIONS

Section A – CURRENT YEAR TAX LIABILITY

Enter tax due from Form 20C, page 1, line 17 here and on Section C, Part A, Column 4.

Section B – CURRENT YEAR CREDITS

Part A – Alabama Enterprise Zone Credit

Certain tax incentives are available to qualifying businesses that locate or expand within a designated enterprise zone. These tax incentives are available under the provisions of Section 41-23-24. Business entities eligible for the tax credit must be approved by the Alabama Department of Economic and Community Affairs (ADECA). Business entities eligible for the tax exemption must have entered into a contract with the Governor of Alabama and ADECA and must also receive certification annually from ADECA. A taxpayer must compute its income tax exemption under the provisions of its specific contract.

For additional information on the Alabama Enterprise Zone Credit/Exemption, contact ADECA Community and Economic Development Division, 401 Adams Avenue, P.O. Box 5690, Montgomery, AL 36103-5690, 334-242-5370. Questions pertaining to the application of the tax credit should be addressed to Alabama Department of Revenue, P.O. Box 327001, Montgomery, AL 36132-7001, 334-242-1175.

The Certificate of Certification and computations must be attached to Form 20C to claim the exemption.

A1. Enter the amount of the Alabama Enterprise Zone Credit Available.

Part B – Basic Skills Education Credit

Sections 40-18-135 through 40-18-139 provide a tax credit to employers who provide approved basic skills education programs to Alabama resident employees. To qualify for the credit, (1) the program must have written approval from the Alabama Department of Education, (2) the employees shall have been continuously employed for at least 16 weeks for at least 24 hours per week, and (3) the employer cannot receive or require reimbursement or any form of remuneration for any cost of education. The credit is 20 percent of the actual costs

limited to the employer's income tax liability. A copy of the document of approval along with a detailed schedule (including actual costs incurred and employee employment period) computing the credit should be provided. For further information, contact the Alabama Community College System, Adult Education Program, Workplace Education Tax Credit, 135 South Union Street, Montgomery, AL 36104, Attn: David Walters or the Alabama Department of Revenue, P.O. Box 327430, Montgomery, AL 36132-7430, at (334) 242-1170, Option 6.

B2. Enter the name of the employer/firm sponsoring the education program.

B3. Enter the name of the approved provider.

B4. Mark the appropriate box to indicate whether all participants for whom you are claiming a tax credit, were continuously employed by you for at least 16 weeks.

B5. If the box on line 4 is marked "yes", mark the appropriate box to indicate if employee(s) for whom you are claiming a tax credit work at least 24 hours each week.

B6. If the box on line 4 and 5 is marked "yes", enter the total expenses available for credit.

B7. Multiply line B6 by 20% (.20). CREDIT ALLOWABLE

Part C – Income Tax Credit

Section 40-18-35 provides a credit for the income tax owed on the income generated by or arising out of the project. The credit cannot exceed the lesser of (1) tax due, or (2) the amount paid pursuant to the financing agreement in the year for which tax is due, corresponding to debt service on the project obligations. This incentive may be reduced or suspended by the Industrial Development Authority if the company fails to achieve the anticipated level of capital investment or employment. Attachments to support credit should include certificate/document of approval, computation of income generated from project, support for amount paid, and computation of credit.

C1. Enter the amount paid pursuant to the financing agreement, corresponding to debt service on the project obligations. CREDIT ALLOWABLE.

Part D – Coal Credit

For the tax years beginning on and after January 1, 1995, every corporation, whether a "subchapter S" corporation, as defined by the 1995 Internal Revenue Code, or not, foreign or domestic, that is doing business in Alabama, as a producer of coal mined in Alabama, shall be allowed a credit against the tax imposed by Section 40-18-2, in the amount of one dollar (\$1) per ton of increased production of coal over the previous year's production of coal as set out herein below. Such tax credit shall be based on coal produced after January 1, 1995, provided the coal was mined in Alabama as certified by the producer of the coal.

The amount of the total credit in any one year shall be based on the number of tons of Alabama coal produced by the corporation in the year which exceeds the number of tons of Alabama coal produced by the corporation in calendar year 1994. In the event a corporation did not produce Alabama coal during calendar year 1994, such corporation must establish a base year by producing Alabama coal for 12 consecutive months. Thereafter, such corporation shall be eligible for the tax credit as specified herein above over the base year production. (Acts 1995, No. 95-239, p. 403, §1.) The credit is required to be submitted through MAT.

D1. Enter the number of tons of coal produced in 2020.

- D2. Enter the number of tons of coal produced in calendar year 1994 or base year chosen.
- D3. Subtract line D2 from line D1.
- D4. Multiply line D3 by \$1, if greater than zero. CREDIT ALLOWABLE.

Part E – Full Employment Act of 2011 Credit

Sections 40-18-290 through 40-18-293 provide for a tax credit against Alabama income tax for small businesses which employ 50 or fewer employees and create new jobs paying more than ten dollars (\$10) per hour. Employers will receive an income tax credit equal to one thousand dollars (\$1,000) and shall be available in the tax year during which the employee has completed 12 months of consecutive employment. The employer must have a net increase in the total number of full time employees in Alabama on the last date of each tax year during which employees are hired for which the employer claims a credit, over the number employed in Alabama as of the last day of the tax year immediately preceding the first employment year. The income tax credit may be claimed for employees who are hired following June 9, 2011. This tax credit shall not exceed the amount of the taxpayer's state tax liability for which the credit is claimed. This credit is not refundable or transferable and cannot be taken in conjunction with the Alabama Small Business and Agribusiness Jobs Credit. The credit is required to be submitted through MAT.

- E1. Enter the number of full time employees on 12-31-2019.
- E2. Enter the number of full time employees on 12-31-2018.
- E3. Subtract line E2 from line E1.
- E4. Enter the number of qualifying employees included in the number on E3 that completed their first 12 months of service in 2020.
- E5. Multiply line E4 by 1,000. Enter the amount.

Part F – Alabama New Markets Development Credit

Act Number 2012-483, passed by the Alabama Legislature during the 2012 Regular Session, establishes a tax credit to corporations that invest in businesses located in impoverished and low income communities. The credit allowance date is the date on which such investment is initially made and each of the six anniversary dates thereafter. The credit shall not exceed the amount of the taxpayer's state tax liability for the tax year for which the tax credit is claimed. Tax credits claimed under this act are not saleable or transferable. Any amount of tax credit that the taxpayer is prohibited from claiming in a taxable year may be carried forward to any of the taxpayer's subsequent taxable years.

- F1. Enter the amount of the New Markets Development Credit claimed from the Notice of Certification.

Part G – Veterans Employment Act - Employee Credit

Act 2018-194 amend Sections 40-18-320 and 40-18-321 for all tax years beginning on or after January 1, 2018 to rename the Heroes for Hire Tax Credit Act of 2012 as the Veterans Employment Act. The act adds Sections 40-18-320.1 and 40-18-325 to the Code of Alabama, 1975. A qualified employer subject to the requirements of the act shall be eligible for an additional nonrefundable credit against the income tax or financial institution excise tax in the amount of \$2,000 for each new unemployed or combat veteran hired for a full-time position paying at least fourteen dollars per hour, where majority of the duties are at a business located within Alabama. The additional credit shall only be available in the tax year during which the employee has completed 12 months of consecutive employment. The credit is required to be submitted through MAT.

- G1. Enter the number of unemployed veterans included in Part E, line E4 – Full Employment Credit.
- G2. Multiply line G1 by \$2,000. Enter the amount.

Part H – Veterans Employment Act - Business Start-Up Expense Credit

Section 40-18-323 allows for a nonrefundable credit against the income tax liability to unemployed veterans in an amount up to \$2,000 for expenses associated with one start-up business in which the veteran holds at least 50% ownership interest. The credit is only applicable for businesses: started after April 2, 2012, located within Alabama, and showing a net profit of at least \$3,000 for the year in which the credit is taken. The credit is required to be submitted through MAT.

- H1. Enter the name of the Business.
- H2. Enter the business ID number.
- H3. Enter the total amount of business start-up expenses.
- H5. Enter the lesser of line H3 or line H4. CREDIT ALLOWABLE.

Part I – Qualified Irrigation System/Reservoir System Tax Credit

Act 2017-352 amends Section 40-18-342 to allow all tax years beginning after December 31, 2011 until tax year ending December 31, 2017 to authorize an agricultural trade or business to be eligible for an increased cap on the amount of a credit based on a lower percent of the costs of a project. The credit is equal to 20 percent of the accrued cost not to exceed \$10,000 or 10 percent of the accrued cost not to exceed \$50,000, whichever is greater. This credit is limited to only one purchase and installation of qualified irrigation equipment or one qualified reservoir per taxpayer. The credit shall not exceed the income tax liability in any year and shall be taken in the year in which the qualified irrigation equipment or the qualified reservoir is placed in service. The credit may be carried forward for 5 years. The credit is required to be submitted through MAT.

- I1. Enter the purchase and installation costs of the irrigation system.

Part K – 2013 Alabama Historic Rehabilitation Tax Credit

Act 2014-452 amends Act 2013-241. The act provides an income tax credit against the tax liability of the taxpayer for the rehabilitation, preservation, and development of historic structures. The credit is equal to 25% of the qualified rehabilitation expenditures for certified historic structures. The act also provides a tax credit equal to 10% of the qualified rehabilitation expenditures for qualified pre-1936 non-historic structures. No tax credit claimed for any certified rehabilitation may exceed \$5,000,000 for all allowable property types except a certified historic residential structure and \$50,000 for a certified historic residential structure. The entire credit may be claimed by the taxpayer in the taxable year in which the certified rehabilitation is placed in service. This credit is not refundable, but any unused portion of the credit may be carried forward for up to 10 additional tax years. The credit is required to be submitted through MAT.

K1a-K1c. Enter the Project Number(s) assigned by the Alabama Historic Tax Commission, the date the project(s) were placed in service, and the amount of credit.

K2. Total 2013 Alabama Historic Rehabilitation Tax Credit. Enter the sum of all project credits. CREDIT ALLOWABLE.

Part L – Career-Technical Dual Enrollment Credit

Act 2014-147 passed the Alabama Legislature during the 2014 Regular Session. The act provides a state income tax credit to businesses that make contributions for qualifying educational expenses directly associated with the Career-Technical Dual Enrollment Program. The tax credit may be claimed by the taxpayer in an amount equal to 50 percent (50%) of the total contribution or contributions made to the Department of Postsecondary Education during the taxable year for which the credit is claimed, but such credit is not to exceed an amount greater than 50 percent (50%) of the taxpayer's total Alabama income tax liability, and in no case more than five hundred thousand dollars (\$500,000) for any given tax year. A taxpayer may carry forward all or part of a tax credit granted under this act for up to three (3) years. The credit is required to be submitted through MAT.

Part R – Railroad Modernization Act of 2019

The Railroad Modernization Act of 2019 creates a refundable income tax credit beginning with tax years on or after December 31, 2019, for eligible taxpayers with qualified railroad reconstruction or replacement expenditures. Railroads that are classified as a Class II or Class III are eligible for the credit. Taxpayers must obtain pre-certification from the Department of Commerce prior to claiming the credit on their income tax return. The Act imposes an annual credit limit of \$3.7M, with an aggregate cap of \$11.1 over the life of the credit. This credit is required to be submitted through MAT.

R1. Enter the amount of credit reported on the Department of Commerce certificate. CREDIT ALLOWABLE.

Part S – Income Tax/Capital Credit

Sections 40-18-240 through 40-18-250 provide for a tax credit against Alabama income tax liability with respect to income generated by or arising out of a qualifying project undertaken by certain existing businesses and certain new businesses to be located in the state. Written approval by the Governor, Finance Director, and Alabama State Port Authority is required, and a written statement of intent must be filed with the Alabama Department of Revenue prior to the project being placed in service. For further information regarding the capital docks credit, contact the Alabama Department of Revenue at P.O. Box 327001, Montgomery, AL 36132-7001 or 334-242-1175.

Sections 40-18-190 through 40-18-203 provide for a tax credit against Alabama income tax with respect to income generated by or arising out of a qualifying project undertaken by certain existing businesses and certain new businesses to be located in the state. A statement of intent to invest in a qualifying project must be filed prior to the qualifying project being placed in service and must be approved by the Alabama Department of Revenue prior to the project entity taking the credit. The credit allowable is 5 percent of the qualifying project's allowable capital costs for each year up to 20 years, limited to the tax liability generated by or arising out of the qualifying project, and is applied after all deductions, exemptions and other credits have been taken.

A project entity that is organized as a C-corporation must file the Form AR-C through their MAT account prior to filing the Alabama Form 20C. The Form AR-C replaces both the Forms AR and KRCC.

However, if the project entity is a pass-through entity where the C-corporation is a member or partner, the pass-through entity will complete Form KRCC for each member/partner allocating the project income and income tax capital credit available based on ownership. The C-corporation that is claiming the income tax capital credit will receive Form KRCC from the pass-through entity and complete Form KRCC-B. Both these forms must be attached to the Schedule BC and the boxes checked on Schedule BC, Section B, Part S.

S1a-S1g. Enter the Project Number(s) assigned by the Alabama Department of Revenue, the Project Name(s) and the amount of the Capital Credit claimed from Schedule KRCC-B, Part III, line 4 or Form AR-C, line 10.

S2. Total Capital Credit. Enter the sum of all project credits. CREDIT ALLOWABLE.

For further information regarding the capital credit and the necessary forms to claim the capital credit, visit the Alabama Department of Revenue's Web site at www.revenue.alabama.gov under the Tax Incentives page, or contact the Department at P.O. Box 327001, Montgomery, AL 36132-7001 or 334-242-1175.
