October Marks License Renewal Month

Montgomery, Oct. 8, 2003—The Alabama Department of Revenue reminds business owners that October is the annual renewal month for the scrap tire handlers' and state business privilege licenses.

The annual licenses expired September 30 and must be renewed prior to November 1 to avoid penalties and possible fines.

For more information concerning license renewal procedures, business owners should contact the appropriate county license-issuing authority, who is usually the probate judge or license commissioner of the county where the business activity, profession, or occupation is conducted, or contact the Alabama Department of Revenue, Sales, Use and Business Tax Division at (334) 353-7827. License information may also be obtained from the department's Web site at www.ador.state.al.us.
