2014 Annual Report

2014 Annual Report

**The Alabama Department of Revenue
is an Affirmative Action/Equal Opportunity Employer.**

Equal Employment Opportunity Policy

It is the policy of the Department of Revenue not to discriminate against any employee or applicant because of race, color, religion, age, sex, national origin, or disability. The Department of Revenue is committed to recruiting, hiring, training, and promoting qualified individuals without regard to the above-mentioned protected statuses.

Division Directors shall ensure that all other personnel actions such as compensation, benefits, department-sponsored training, transfer, demotion, termination, leave without pay, return from leave without pay, and social recreation programs shall be administered without regard to race, color, religion, age, sex, national origin or disability.

Division Directors shall base employment decisions on the principles of equal employment opportunity and with the intent to further the Revenue Department's affirmative action program goals.

Division Directors shall take affirmative action to ensure that minority group individuals, females, and qualified disabled persons are hired and that these employees are encouraged to aspire for promotions and are considered as promotional opportunities arise.

2014 In Review

The ADOR

The Alabama Department of Revenue (ADOR) serves as the state's primary tax-collecting agency, administering over 50 different state taxes and fees. In addition to its tax administration, collection and enforcement functions, the department is also responsible for the administration of Alabama's motor vehicle registration and title laws, statewide property appraisal, certain provisions of Alabama's motor vehicle mandatory liability insurance law, and various law sections pertaining to the Alabama Accountability Act.

2014 In Review

The past fiscal year ushered in significant changes, opportunities, accomplishments, and challenges for the Alabama Department of Revenue (ADOR) and its employees.

Record year-end collections, organizational staffing changes, new leadership opportunities, ambitious service initiatives, and timely legislative mandates all contributed to an impressive 2014 year-end review of the ADOR.

A Year of Record Collections

Year-End Collections Top \$9 Billion

The Alabama Department of Revenue (ADOR) closed out its 2014 fiscal year with record collections, totaling over \$9.4 billion and marking a milestone in the department's collection history. Over \$8.6 billion of the \$9.4 billion was collected through electronic means. Delinquent tax collections also hit a record collection mark of over \$78 million.

Collections through Alabama's Voluntary Disclosure Program totaled \$1,461,986 for fiscal 2014. (Collections result from voluntary disclosure agreements—a taxpayer comes forward in a voluntary, anonymous fashion and seeks to report

past liabilities for a limited look back period—usually three years—and have penalties waived.)

Collections through Alabama's participation in the federal Treasury Offset Program (TOP), a debt collection program, totaled \$23,556,134 during calendar year 2014, representing 74,545 payments/offsets. Alabama began participation in the federal Treasury Offset Program* in 2003 and since that time, the ADOR has collected \$138,537,571 in refunds/offsets, representing 489,944 payments/offsets.

**In 2009, legislation was passed that required the administrative fee charged by the U.S. Treasury Department for Alabama's participation in the TOP to be paid by Alabama taxpayers whose federal refunds are intercepted for payment of past-due Alabama income tax debts. Federal legislation passed by Congress in 1998 (P.L. 105-206) authorizes the federal government to offset federal tax refunds to satisfy state tax delinquencies*

All taxes collected by the ADOR are earmarked for specific state and local funds.

Commissioner Magee Appointed to Second Term on the Federation of Tax Administrators' Board of Trustees

The Federation of Tax Administrators (FTA) membership unanimously re-appointed State Revenue Commissioner Julie P. Magee to its board of trustees during the FTA's annual business meeting, held in June in Washington, D.C.

"I am once again humbled by the confidence my colleagues across the country have placed in me by re-appointing me to the board," said Magee. "I am honored to represent and serve Alabama as a representative on this prestigious board."

The Federation of Tax Administrators (FTA), organized in 1937, serves the principal tax collection agencies of the 50 states, the District of Columbia, and the city of New York. The work of the FTA is directed and governed by an 18-member

board of trustees, composed of tax administrators representing all regions of the country.

Commissioner Magee joins Kentucky State Revenue Commissioner Thomas Miller and Mississippi State Revenue Commissioner Ed Morgan as representatives of the Southeast Region.

Her appointment to the FTA Board of Trustees is a two-year appointment and will run through June 2016.

Commissioner's Recognition Award Presented to Sales and Use Tax Employees

Sales and Use Tax Assistant Director Dan Bass nominated the division's call groups, both revenue examiners and clerical staff, as well as other helpful employees, for a special Commissioner's Recognition Award.

Bass offered many worthwhile reasons for the nomination.

"In addition to recognizing the two call groups, I want to acknowledge those employees who were not part of the call groups, but who assisted taxpayers by handling the overflow, performing RITS and MAT testing, and ensuring that workflow continued as smoothly as possible during this busy time. All have provided outstanding customer service and have exceeded our expectations implementing the new mandate for taxpayers to migrate from the current paperless system to MAT. Each employee already has a full-time job and associated duties and willingly put his/her daily responsibilities on hold in order to provide the service necessitated by the MAT conversion.

"Recently, our division has been inundated with taxpayer calls requiring extensive customer assistance. During one recent period, we received over 20,000 phone calls. Taxpayers have been frustrated, confused and in some cases, upset about the required change and migration. The division's call groups assumed the task with a positive attitude dealing with these callers and their frustration."

According to department records, in June, a total of 18,266 taxpayers filed their state sales tax returns using MAT, while in July, with much employee assistance, 42,262 taxpayers filed their state sales tax returns using MAT. One factor for consideration is these totals do not include all the other taxes that are administered by this division.

In addition, when it became evident this conversion assistance and customer service would have to be extended through the weekend, many volunteered to help. These volunteers assisted in working at the Call Center, the Montgomery Taxpayer Service Center, and the Central Office.

"The success of our employees' efforts has been realized in the heartfelt thanks and numerous kudos from taxpayers," Bass said.

"There is no better-qualified or more loyal group of employees in the department than those in the Sales and Use Tax Division's call groups, and the Commissioner's Recognition Award is more than justified in showing encouragement and appreciation for efforts and positive attitudes of so many dedicated employees."

Changes in Alabama's Tobacco Tax Law Seek to Curb Evasion

Alabama Tobacco Tax Law Changes Effective Oct. 1, 2014

Several significant changes in Alabama's tobacco tax law became effective Oct. 1, 2014.

"During the 2014 legislative session, Act 2014-262 was passed which established a new category for filtered cigars, removed references to retail-selling price of cigars, eliminated rates that were no longer used on cigars, as well as refined the reporting requirements of all tobacco wholesalers and retailers," explained State Revenue Commissioner Julie P. Magee. "The changes made by Act 2014-262 will benefit the industry on the whole, but will certainly make it harder and more difficult for unscrupulous individuals to evade tobacco taxes."

Specifically, the new law establishes a separate category and tobacco tax rates, based on weight per thousand, for "filtered" cigars, ranging from \$0.04 per ten cigars weighing three pounds or less per thousand to \$0.015 each for filtered cigars weighing more than three pounds per thousand. The rate for all other cigars will remain at \$0.0405 per cigar or \$40.50 per thousand.

Rates for cigarettes and other tobacco products are not affected by Act 2014-262. In addition to the modifications for cigars, the new law also provides several new reporting requirements and changes in how tobacco wholesalers and retailers report state and local tobacco taxes, as well as tougher enforcement provisions related to unreported tobacco tax and contraband products.

"All of these reporting changes will help address tobacco tax evasion in Alabama," said Magee. "Over the last several years, the department has ramped up its efforts to combat this growing problem that seems to be affecting all states, not just Alabama. We have worked with industry leaders and trade associations in

our state to come up with ways to confront this problem head-on, without imposing unrealistic recordkeeping burdens upon Alabama's tobacco wholesalers and retailers."

The notices were sent to all Alabama tobacco wholesalers and retailers of record, informing them of the important law changes that will affect their reporting and recordkeeping responsibilities.

ADOR Launches New Online System

Electronic Sales Application for Tax Delinquent Property Now Available

The process of buying tax delinquent property became easier and much more efficient with the launch of the department's newest online feature: ADOR's electronic sales application for tax delinquent property.

"This new application will enable interested persons to search our database of tax delinquent properties quickly and easily, locating properties they are interested in purchasing. They can then submit their sales applications online, providing them with an immediate confirmation that their applications have been received. The entire sales application process now can be handled online; whereas before, it was largely a manual process," explained Alabama Revenue Commissioner Julie Magee.

Key features to the new online system are the searchable database and the automated application process. Prospective purchasers can search tax delinquent properties in various ways: by county; by the person's name in which the property

was assessed when it sold to the state for delinquent taxes; by the certificate of sale number (CS#); or by the parcel number of the property. In addition, certain information fields on the sales application are automatically filled in or populated, which greatly reduces the risks for errors.

“Once the prospective purchaser enters certain personal information required to complete the application process, the application can then be submitted with a click of a button,” explained Magee.

The completed application is transmitted directly to ADOR’s Property Tax Division for processing. The prospective purchaser will receive confirmation that his or her application was received, along with information concerning the processing of the price quote.

The link to the new online system is available on the department’s website at <http://revenue.alabama.gov/property/landsales/>.

Currently, over 30,000 parcels of tax delinquent properties are held in the State of Alabama’s inventory for sale. On average, the department processes between 500 and 1,000 sales applications monthly.

For more information concerning Alabama’s tax delinquent property sales, application procedures, and helpful tips on reading transcripts of tax delinquent property, visit the department’s website at www.revenue.alabama.gov and log onto the “Property Tax Division” page, “Tax Delinquent Property for Sale” at <http://revenue.alabama.gov/property/landsales/>.

Alabama Center for Insurance Information and Research Established

Alabama Revenue Commissioner Julie Magee was present at Gov. Robert Bentley’s signing of the executive order establishing the Alabama Center for Insurance Information and Research on Oct. 23. The center, to be housed at the University of Alabama’s Culverhouse College of Commerce, will focus on providing insurance information for Alabama property owners.

Magee, along with other representatives, will serve on an advisory board of directors responsible for governance of the center.

In addition to Revenue, Gov. Bentley’s executive order provides that the advisory members will include representatives from the governor’s office, the Alabama Department of Insurance, the Alabama Bankers Association, the Alabama Mortgage Bankers Association, the Home Builders Association of Alabama, Alabama Smart Homes (Smart Homes America), consumer group organizations and nonprofits, as well as the chair of the Alabama Senate’s Banking and Insurance Committee and the chair of the Alabama House Insurance Committee.

Recent Organizational Changes

Helms Named Collection Services Division Director, Reynolds Names Sales and Use Tax Assistant Division Director

Helms was named director of the Collection Services Division, and Rouen Reynolds was named assistant director of the Sales and Use Tax Division, effective Aug. 1, 2014.

With a bachelor's in business administration from Troy University (emphasis in accounting) and a master's in public administration from Auburn University at Montgomery, Valynn brings a wealth of knowledge from these educational institutions. With her more than 29 years of work experience in Revenue, she brings valuable and varied experience to her new position.

She has received the President's Award from the National Association of Unclaimed Property Administrators for her development of the national electronic reporting standard for corporations, etc., to report unclaimed property to the states. She has been named Revenue's Employee of the Year and has served on numerous committees for the governor, commissioner, and regional and national organizations.

Rouen Reynolds has 35 years with the State, 22 of those working here in Revenue. She graduated from Troy University Montgomery Campus with a bachelor's in business (accounting concentration). Her CPA designation, her work as a foreign audit specialist, and her management experience in various department areas qualify her as an exceptional leader for this position.

Rouen has worked at the Montgomery Taxpayer Service Center, in a satellite office in Troy, the Mobile and Dothan districts and the Auburn Opelika Taxpayer Service Center.

Coone (left), Director, Alabama Department of Revenue Motor Vehicle Division, at a ceremonial bill signing for House Bill 112 in the Old House Chamber of the Alabama State Capitol, Wed., Feb. 26, 2014. The bill authorizes Jefferson County residents to buy and renew car tags from city offices rather than only from the Jefferson County Courthouse. The bill should reduce long lines and waiting to renew car tags. The bill was co-sponsored by Sen. Jabo Waggoner of Vestavia Hills and Rep. Paul DeMarco of Homewood.

ADOR Representatives Attend Bill Signing

ADOR representatives recently attended the ceremonial signing for House Bill 404 (Act 2014-262), which became effective on Oct. 1. The tobacco tax bill adds a definition for semi-jobber, separates filtered cigarette-sized cigars from little cigars, revises invoice and reporting requirements, amends tobacco confiscation procedures, requires a website listing of distributors, and imposes additional non-compliance penalties.

Gov. Robert Bentley (seated) is joined by (1st row, left to right): Rep. Mike Jones, industry representatives Butch DiChiara, Paul DiChiara and Ellie Taylor; ADOR Business and License Tax Division's Loretta Nelson and Alisa Johnson; (back row, left to right): industry representative Phil Norris; ADOR Business and License Tax Division's Randy Winkler, ADOR Tax Policy and Research Division Director Mike Gamble, ADOR Business and License Tax Division's Brian Richardson, ADOR Business and License Tax Division Director Janet Stathopoulos, and ADOR Commissioner Julie Magee.

Severe Weather Preparedness STH Weekend Feb. 21-23

The severe icy conditions that plagued us on Jan. 28, were a harsh reminder that we need to be prepared for adverse weather conditions, be it ice, snow, hurricanes or tornadoes. Many times we are caught unaware when dangerous weather occurs and find ourselves without the necessary provisions.

Last year's Severe Weather Preparedness Tax Holiday ran from 12:01 a.m. Friday, Feb. 21 through Sunday midnight, Feb. 23. During that time, certain items were exempt from state sales tax. Many cities and counties participated in the special STH weekend, waiving their sales tax as well.

Shoppers found deals on batteries, plastic tarps, smoke detectors, duct tape, weather radios and other necessities vital to personal safety in a weather emergency.

The complete list of tax-exempt items is available at

MV Conducts Training for Jefferson County Localities

Revenue's Motor Vehicle Division hosted a three-day seminar March 11-13 for city officials in Jefferson County to acquaint them with Act 2014-007. The legislation authorizes Jefferson County residents to renew their car tags at city offices rather than only from the Jefferson County Courthouse. To renew at their city hall, taxpayers must be a resident of the city.

Passed to alleviate long lines and hours of waiting to renew car tags, the bill provides that cities will be allowed to renew tags only for vehicles a person already owns.

Speakers from the Examiners of Public Accounts and the State Comptroller's Office joined ADOR Motor Vehicle presenters and an ADOR Property Tax presenter.

The informative seminar was attended by 20 representatives from the following organizations: Jefferson County, Cities of Vestavia Hills, Birmingham, Trussville, Mountain Brook, Irondale, Gardendale and Leeds; Town of Sylvan Springs, Ingenuity (registration system vendor), and the University of Alabama Center for Advanced Public Safety.

Presenters included (left to right): Kathy Wren, James Hall, Examiners of Public Accounts; Sherry Helms, Brenda Coone (MV Division Director), Anthony Evans, Maria Chamnong, Motor Vehicle Division; Will Martin, Property Tax; Jay Starling, (Motor Vehicle Division Assistant Director); Peytie Bowen, Comptroller's Office; Don Clemons, Motor Vehicle Division; Chris Lentini, Comptroller's Office; Lisa Blankenship, Motor Vehicle Division.

ADOR Reps Attend Training Seminar

Auburn University's Center for Governmental Services Office offered a two-day program April 9 and 10 for employees involved in the training of state and/or county employees and taxpayers. The "Train the Trainer" Program is designed to enhance presentation techniques and student interaction skills.

Motor Vehicle Reps Give Presentations at IRP 2014 Annual Meeting

Motor Vehicle representatives Jay Starling and Renee Kyser made presentations at the 2014 International Registration Plan Annual Meeting in Albuquerque, N.M., May 13-14. Assistant Director Starling presented the Full Reciprocity Plan to the IRP membership. According to the IRP website, "This plan (FRP) will change the Plan to make it more efficient, more equitable and more flexible for its member jurisdictions and registrants by granting full reciprocity for all apportioned vehicles in all member IRP jurisdictions and removing from the Plan any provisions related to

estimated distance."

Kyser, past chair of the PRC, went out a day early for the Peer Review Committee meeting, where she worked with other committee members to revise the current compliance guide. She also presented an audit ballot to the membership on behalf of the jurisdiction representative from Nebraska who was delayed due to travel woes.

Mission Statement

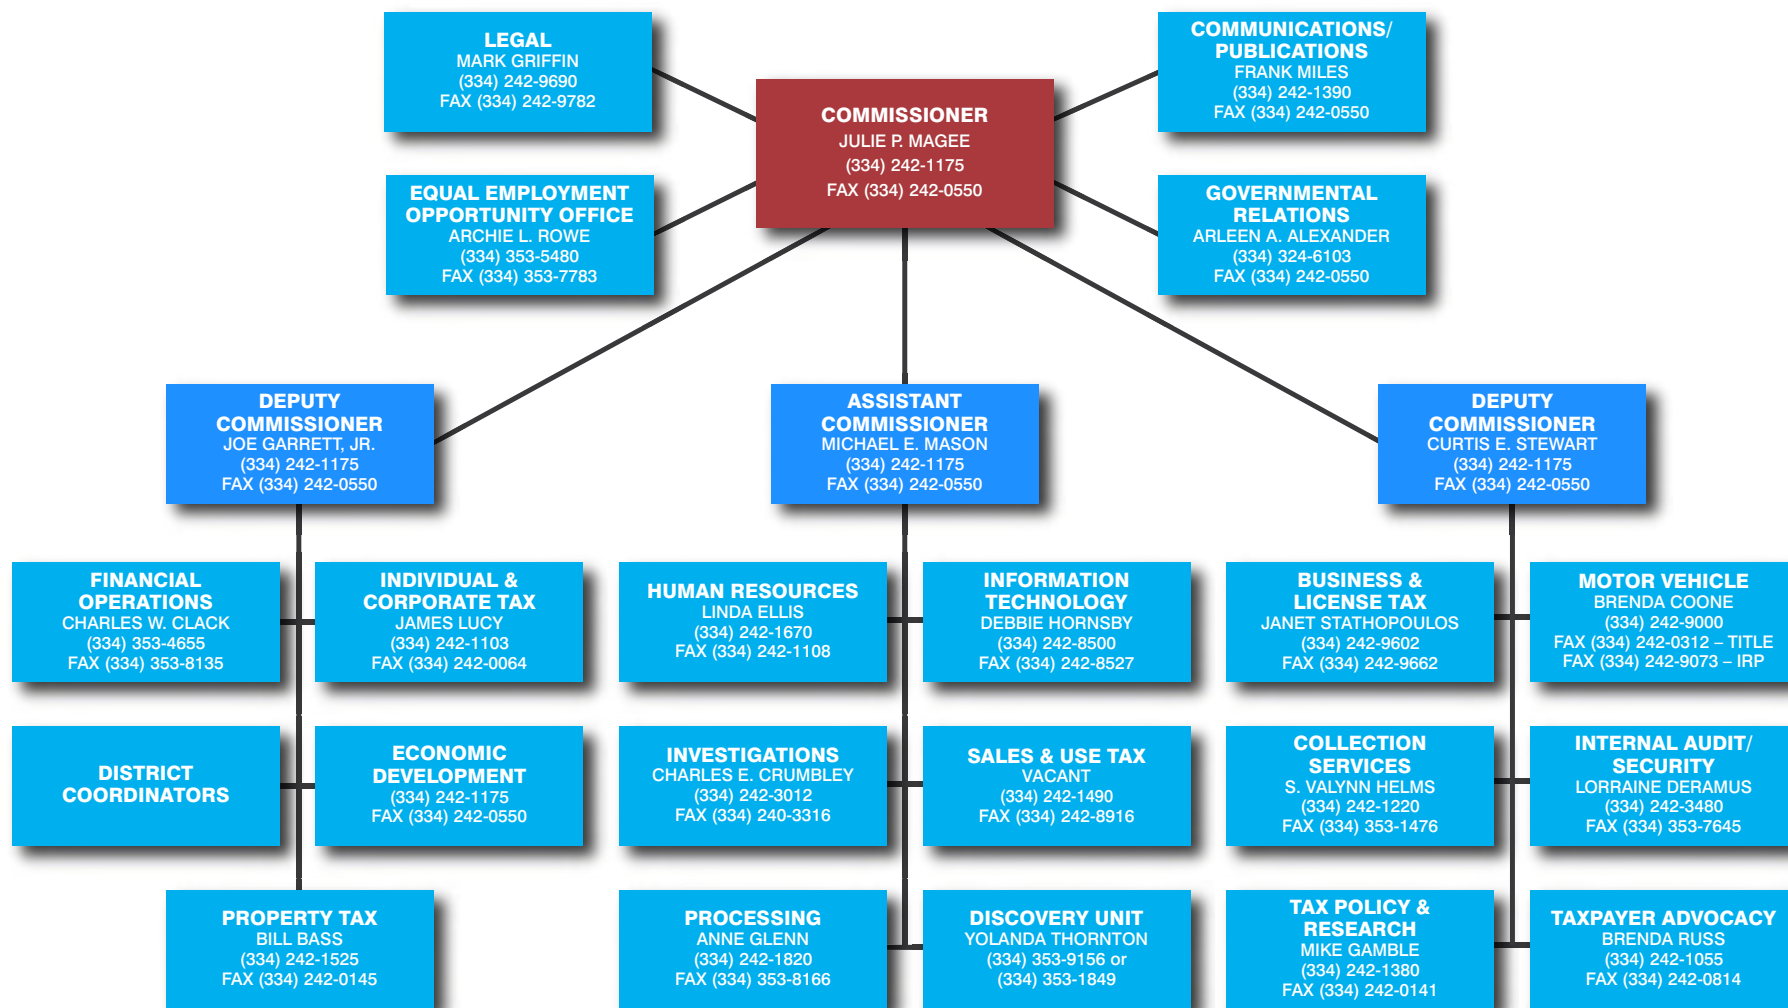

Our Mission

The Alabama Department of Revenue will efficiently and effectively administer the revenue laws in an equitable, courteous and professional manner to fund governmental services for the citizens of Alabama.

Adopted Sept. 5, 1996

Organizational Chart

Alabama Department of Revenue

Organization

The following section contains an overview of the organizational structure of the Revenue Department, covering the period Oct. 1, 2013, through Sept. 30, 2014. To accomplish its diverse administrative, collection, and enforcement responsibilities, the department is organized into 12 divisions.

The Organization

The chief executive officer within the Revenue Department is the commissioner of revenue, who is appointed by the governor and serves at the pleasure of the governor. In addition to the administration, collection and enforcement of those taxes and fees which fall within the department's jurisdiction, the State Revenue Commissioner is also, by law, the *Ex-Officio* Land Commissioner. As *Ex-Officio* Land Commissioner, he or she must oversee the sales of all property acquired and sold by the state for delinquent property taxes. By law, the commissioner of revenue also serves on the State Records Commission, the Alabama Education Authority, the Enterprise Zone Advisory Council, and the State Industrial Development Authority.

The top senior management position within the Revenue Department is the assistant commissioner. Unlike the commissioner, the assistant commissioner is a merit system employee whose job classification provides for management continuity and stability for the department irrespective of changes in the state administration. In addition to other duties associated with supporting the office of the commissioner, the assistant revenue commissioner also serves as disclosure officer for the ADOR.

Working closely with the commissioner and assistant commissioner are the deputy commissioners and department secretary. The deputy commissioners are involved in the following activities: the development and communication of major tax policies; the creation and implementation of actions that increase the efficiency and effectiveness of the department; liaison functions with the governor and his

staff; and interactions with various legislators, business groups, and professional associations. The department secretary is responsible for maintaining all records relating to departmental hearings, proceedings, and other related meetings as required by law.

Office of Taxpayer Advocacy

The Office of the Commissioner includes several offices or sections which implement department policy and complete various administrative functions. The functions of each are summarized below.

Discovery Unit...

The Discovery Unit, established Oct. 1, 2011, under the direction of the assistant commissioner, is responsible for evaluating, prioritizing, testing, and implementing various projects aimed at enhancing tax collection efforts and improving taxpayer compliance.

Office of Economic Development...

The office of economic development serves in a dual capacity as an administrative office which coordinates all revenue tax incentive programs administered by the department and as a support office to other state and local agencies and entities involved around the state in industrial recruitment.

Equal Employment Opportunity Office (EEO)...

Established in 1992, the department's EEO office is headed by a department EEO coordinator who works in conjunction with the divisional coordinators to ensure compliance with federal EEO laws and regulations. The office further provides for informal grievance reviews and job-related counseling, with the main objective being the resolution of employee conflicts before they reach the stage of a formal grievance complaint.

Financial Operations...

The Financial Operations Office is responsible for the department's administrative fiscal and tax accounting functions. Administrative fiscal functions include budgeting, purchasing, disbursements, property, and contracts. Tax accounting functions include fund certification, fund balancing, and tax distributions.

Internal Audit...

The Internal Audit Section provides independent in-house audits and reviews of departmental operations to ensure compliance with law and departmental policy and procedures. The section is also responsible for internal physical security functions.

Office of Communications/Publications...

The Office of Communications/Publications facilitates both external and internal communications and is a vital part of maintaining the department's professional image, as well as communicates effective messages to taxpayers, practitioners, legislators, media outlets, local government officials and ADOR employees. This office handles responses to media inquiries, issues communications about ADOR initiatives, creates various newsletters and publications, manages the department's social media accounts and completes other tasks assigned by the commissioner or her staff.

Governmental Relations...

The Governmental Liaison Manager's role is to facilitate conversation between the state and all local revenue, property tax, probate judges and license commission offices to ensure the department is providing the best possible service and resources for the local governments. Some of the projects will include: One Spot, Atlas Alabama and OPPAL.

Office of Taxpayer Advocacy...

The Office of Taxpayer Advocacy is comprised of the department's taxpayer assistance program which began in 1988 and was strengthened in 1992 under the Taxpayer Bill of Rights and Uniform Revenue Procedures Act. Its primary responsibility is to serve as the taxpayer's advocate in tax collection matters involving the department, as well as serve as the department's primary source of taxpayer education.

Code of Alabama, Title 40 Section 2A formally establishes the post of Taxpayer Advocate within the Revenue Department. The law provides the taxpayer advocate with the authority to provide relief to taxpayers in matters where the taxpayer has been erroneously assessed a tax liability.

Divisions

Business and License Tax Division

The Business and License Tax Division has the following responsibilities:

- Administers, collects, and enforces the gasoline tax, aviation excise tax, motor fuels tax, lubricating oils tax, motor carrier mileage tax, scrap tire environmental fee, tobacco tax, as well as tobacco master settlement agreement provisions and non-participating tobacco manufacturers escrow payments, hazardous waste fee, storage tank trust fund fee, playing cards tax, horse wagering fee, pari-mutuel pool taxes, solid waste disposal fee, in addition to severance taxes

on gas and oil, coal, forest products, iron ore, and other natural minerals.

- Issues automobile dismantler and parts recycler licenses and motor vehicle buyer's identification cards. Administers the issuance of various county licenses, as well as the wholesale oil/import license fee.
- Collects 17 county tobacco taxes, three county fuel taxes, and three county solid minerals taxes.

Financial Institutions Excise Tax

Alabama's financial institutions excise tax (FIET) is a type of income tax paid by banks, banking associations, building and loan associations, trust companies, credit card companies, and similar banking industries conducting business in Alabama. Multistate institutions operating in Alabama allocate and apportion income to Alabama.

The tax is paid by April 15 each year for the previous tax year. The rate is 6.5 percent of the total taxable net income reported by the institution on its annual return. Sept. 1 marks the annual distribution date of Alabama's financial institutions excise tax.

The State General Fund and Alabama cities and counties where the institutions are located receive a proportionate share of the collections. The distribution formula for the FIET is based upon the following percentages of net collections:

State General Fund, 25 percent; Alabama cities of origin, 50 percent; and Alabama counties of origin, 25 percent.

(Note: Act 1999, 2nd Ex. Sess., No. 664 increased the tax rate to 6.5 percent for all tax years beginning after Dec. 31, 2000; and provided that all revenue generated from the increased tax rate be deposited to the State General Fund. The rate increase was contingent upon the ratification of the constitutional amendment proposed by Act 99-600. The amendment was ratified as Amendment No. 662 on June 19, 2000.)

The table below details net distribution totals for fiscal years 2011 through 2014.

Distribution of TVA In-Lieu-of-Taxes Payment

Oct. 1, 2013, through Sept. 30, 2014

The Tennessee Valley Authority (TVA) is a federal agency which makes in-lieu-of-taxes payments to the states in which its power properties and operations are located. The TVA pays 5 percent of its gross revenues from the sale of power in the preceding fiscal year to the states in which TVA carries on power operations and in which TVA has acquired properties previously subject to state and local taxation. Revenue from power sold to federal agencies is excluded from taxation. The formula used to determine each state's share is detailed as follows:

One-half of the annual payment divided proportionately among the states according to the value of the TVA's power property within each state, and the remaining half divided proportionately on the basis of the TVA's power revenues from each state to the TVA's total power revenues. The annual payment from TVA is distributed as follows: State General Fund, 17 percent; counties and municipalities served by TVA, 83 percent.

*On March 4, 2010, the Legislature passed Act 2010-135 which changed the way the TVA payments are distributed. Section 40-28-2(c)(1) states: Beginning in fiscal year ending 9/30/10, the distribution provided to the dry, non-served counties shall be reduced by an amount equal to the funds allocated to those dry counties from liquor tax revenues in accordance with Section 2 of this act until the aggregate annual amount of revenue received by those dry counties from the provisions of Section 2 is equal to the amount of TVA payments distributed to the dry, non-served counties for fiscal year ending 9/30/09. Section 40-28-2(b)(2) states: Beginning with fiscal year ending 9/30/10, an amount up to the amount of TVA payments distributed to the dry, non-served counties for fiscal year ending 9/30/09 of the growth of state taxes on spirituous and vinous liquors shall be distributed to dry, non-served counties that receive TVA in lieu-of-taxes payments. In the periods where there was growth of state taxes on spirituous and vinous liquors, the Alcoholic Beverage Control Board (ABC) paid a portion of the amount that the dry, non-served counties were to get from TVA. The portion paid by the ABC Board was deducted from the TVA distribution to the dry, non-served counties and redistributed to the served counties.

Summary of Excess Sales and Use Tax Discount Revenue

Distribution of Excess Sales and Use Tax Revenue

Sales Tax Timely-filing Vendor Discount Cap Lowered

Before June 1996, state law allowed an Alabama retailer to retain up to 5 percent of the first \$100 collected in Alabama sales tax, and up to 2 percent of all tax collection amounts beyond that if monthly sales tax returns were timely filed.

Executive Order 19, issued by Gov. Fob James Jr., set a maximum timely-filing cap on the discount at \$900 per month, effective June 1, 1996, for all state and state-administered county and municipal sales tax returns.

Executive Order 53, issued by Gov. Don Siegelman, lowered the maximum cap to \$400 per month, effective May 1, 2001.

Only one discount per license holder is authorized, regardless of the number of retail locations within the state, according to provisions contained in Act 96-785.

Additional sales tax revenues generated by imposing the cap were distributed to the Department of Conservation and Natural Resources for various outlay purposes and to the Foster Children Program through Sept. 30, 2002. Effective Oct. 1, 2002, the Department of Conservation and Natural Resources receives an amount not less than \$5 million annually; any balance of funds is distributed to the State General Fund.

Act 2011-642 provided changes in the distribution of the sales tax discount revenues for the 2012 and 2013 fiscal years. The \$5 million dollars of the sales tax discount revenues normally disbursed to the Department of Conservation and Natural Resources would be disbursed to the State General Fund during fiscal years 2012 and 2013.

Use Tax Timely-filing Vendor Discount Eliminated

Before June 1, 2001, state law allowed out-of-state sellers to retain up to 3 percent of the state use tax collection amounts if monthly use tax returns were timely filed.

Executive Order 54, issued May 25, 2001, by Gov. Don Siegelman, disallowed the monthly discount on state and state-administered county and municipal sellers' use taxes collected by the license holder on or after June 1, 2001.

Act 2001-669 provided that excess use tax revenues generated by eliminating the timely-filing discount are distributed to the Department of Conservation and Natural Resources during the period June 1, 2001, through Sept. 30, 2002. Effective Oct. 1, 2002, the lesser of \$500,000 or the entire amount is distributed to the Department of Human Resources; any balance of funds is distributed to the Department of Conservation and Natural Resources.

Act 2011-642 provided changes in the distribution of the use tax discount revenues for the 2012 and 2013 fiscal years. The \$1 million dollars of the use tax discount revenues normally disbursed to the Coastal Programs would be disbursed to the State General Fund during fiscal years 2012 and 2013.

The elimination of the timely-filing use tax discount and the reduction in the sales tax timely-filing discount did not affect the rate or amount of use or sales taxes paid by Alabama customers.

The following table details a summary of the excess sales and use tax revenue reported to the state comptroller's office during Oct. 1, 2012, through Sept. 30, 2013.
