## **MEMORANDUM**

**2014-28**

**TO:** License Plate Issuing Officials

**FROM:** Sherry Helms, Registration Unit *SH*  
Motor Vehicle Division

**SUBJECT:** Redesigned and New License Plates for Issuance Beginning December 2014

The Alabama Farmers Federation (AG Tag) distinctive passenger license plate has been redesigned and plates are currently being delivered to licensing officials' offices for issuance beginning December 1, 2014. On December 1, 2014, all AG tags with the old design should be removed from your shelves and held for audit purposes.

The Don't Tread on Me and Rotary International distinctive license plates have exceeded the minimum required number of pre-commitments. Alabama Correctional Industries (ACI) is currently delivering these plates to licensing officials' offices for issuance beginning December 1, 2014. These plates will only be shipped to the counties where pre-commitments were purchased in order to prevent overstocking your offices.

Personalized license plates featuring the new designs may be ordered on the Plate Reservation and Ordering System (PROS) beginning December 1, 2014.

Distribution information from the State Comptroller's office related to the Don't Tread on Me and Rotary International distinctive license plate categories will be provided soon.

Tag number schemes for these plates may be found on the Motor Vehicle Division website at <http://www.revenue.alabama.gov/motorvehicle/index.html> under 'Reference' then 'Registration File Information'.
