MEMORANDUM

2016-008

TO: License Plate Issuing Officials

FROM: Sherry Helms, Registration Unit *SH*
Motor Vehicle Division

SUBJECT: Discontinue Issuance of Alabama Treasure Forest Distinctive License Plate, June 1, 2016

The Alabama Treasure Forest distinctive license plate for the Alabama Treasure Forest Association has not maintained enough registrations to allow the continuance of the full plate design. The organization has elected to go through the pre-commit process again, attempting to obtain the required 1,000 pre-commitments needed for another full plate design. **On June 1, 2016, please discontinue issuing and renewing registrations for ALL Alabama Treasure Forest distinctive license plates.**

Pre-numbered Treasure Forest license plates should also be removed from your shelves and held for audit purposes. Registration system vendor/programmers should ensure the primary tag type (AE) and secondary tag types for this license plate category are also rendered invalid on this date.

If any additional fees are collected for the Alabama Treasure Forest distinctive license plate after June 1, 2016, they must be refunded to the customer, as the State Comptroller's office will no longer be able to make a distribution for these tag types.

If you have any questions regarding this matter, please contact the Motor Vehicle Division at tags@revenue.alabama.gov or (334) 242-9006.
