FILE YOUR
CITY, COUNTY & STATE TAXES
ALL IN ONE SPOT!

Did you know that beginning October 1st, 2013, filing taxes in multiple places and multiple ways will be a thing of the past? The new ONE SPOT system allows for you to file your monthly county and city sales, use and rental taxes along with your state taxes through a single website all at the same time!

ONE SPOT is available at no charge to taxpayers or to local jurisdictions. All Alabama municipalities and counties will be available in the system, streamlining the filing process and allowing you to have more time to focus on business development, rather than multiple tax filing procedures.

Retailers with multiple businesses throughout the state will now have one tool to file all monthly sales, use and rental tax returns. ONE SPOT simplifies the process with an integrated online system. ONE SPOT will allow you to authorize all your local payments as well as your state payment.

This centralized statewide electronic filing and remittance system gives you ONE SPOT to file and schedule payments for sales, use and rental taxes. Save time, money and confusion every month with ONE SPOT.
