Deadline for Farmers' Gasoline Tax Refund Claims Set March 31

Montgomery, Jan. 20, 2000—March 31 is the deadline for Alabama farmers to file their state gasoline tax refund claims with the Alabama Department of Revenue, according to State Commissioner of Revenue George E. Mingledorff III.

"The refund claims are based on portions of the state excise tax paid by farmers on gasoline used during 1999 for agricultural purposes. The portion of the gasoline tax that can be refunded applies **only** to the amount of gasoline that is used in tractors or any auxiliary engines which may be attached to tractors. Gasoline used in farm trucks is not subject to a refund. We encourage those farmers who qualify for such a refund to submit their refund claims as soon as possible. The refund claim must be postmarked no later than March 31, 2000," Mingledorff explained.

Taxes on gasoline purchased from Jan. 1, 1999, through Dec. 31, 1999, will be refunded at the rate of 15 cents per gallon. The refund applies to the tax levied upon gasoline only; it does not apply to any tax levied upon diesel fuel.

Any individual qualifying for a refund who has not received a 1999 claim form may obtain one by writing to the following address: Alabama Department of Revenue, Sales, Use and Business Tax Division, Motor Fuels Section, Post Office Box 327540, Montgomery, AL 36132-7540, or telephone (334) 242-9608.
