## NOTICE

### Motor Fuel Single Point System

#### Account Registration

Beginning **September 3, 2019**, taxpayers who are required to file and remit payment for local gasoline and diesel fuel excise taxes may register for a Motor Fuel Single Point account at <https://myalabamataxes.alabama.gov/> (MAT) to gain access to the voluntary Motor Fuel Single Point System. Although account registration begins in September, taxpayers will not be able to file a return and remit payment in this system until **November 1, 2019**, for the October 2019 filing period. For your convenience, video tutorials are available on the Alabama Department of Revenue's website at <https://revenue.alabama.gov/business-license/motor-fuels/> to demonstrate how to register for an account and file your return/remit payment. Please note that it may take 3 to 5 business days to complete the registration process.

To use the system, the taxpayer must register for a Motor Fuel Single Point account, and the return for the previous month's activity must be filed by the 20<sup>th</sup> of the month (or next business day if the 20<sup>th</sup> falls on a weekend or holiday) along with payment of the taxes shown as due on the return. Only timely returns and payments will be accepted via this system. To be considered timely, returns and payments must be submitted through the system by 4:00 p.m. CST on the date the return is due. Delinquent returns and payments must be submitted via the method authorized by the local authority.

If you have any questions, please contact the Department's Motor Fuels Section at the mailing address, telephone number, fax number, or email address listed below.
