(i) Signature of approval by the Department.

(7) At the time of providing a copy of a Form STE-3 to a provider from whom a tax-exempt purchase of utility services or mobile communication services is being made, the following information shall be provided by the certificate holder on the certificate copy which the certificate holder gives to the provider:

(a) Name and address of the vendor to whom the certificate copy is provided,

(b) Date the certificate is provided, and

(c) Certificate holder's signature and title.

(8) A certificate holder regularly making tax-exempt purchases of the kind and nature for which the Form STE-3 has been issued may furnish a properly executed certificate to the provider specifying that all utility services or mobile communication services subsequently purchased will be for the purpose shown on the certificate and thus be relieved of the burden of executing a separate certificate for each individual tax-exempt purchase as long as the services purchased qualify for exemption.

(9) The certificate holder shall maintain a list of all utility or mobile communication services providers to whom a copy of the exemption certificate is furnished. This list shall be retained in the certificate holder's records available for inspection by the Department during regular business hours and shall provide the name, address, and type of business of each utility or mobile communication services provider to whom a copy of the certificate has been furnished.

(10) The certificate holder shall return the certificate to the Department if the business for which the certificate was issued is closed or the nature of certificate holder's business changes in a manner that no longer qualifies its purchases for exemption.

(11) The certificate holder shall notify the Department immediately in writing of any change in name or mailing address.

(12) The burden of proof that a sale of utility services or mobile communication services is exempt is upon the person providing the services unless the provider of the services takes from the certificate holder a properly executed Form STE-3. Any sale of utility services or mobile communication services for which an exemption has been claimed but which is not supported by a Form STE-3 shall be deemed a taxable sale by the Department and the utility or mobile communication services provider held liable for the tax thereon unless the provider can document the exemption claim. A provider who provides utility services or mobile communication services tax-exempt based upon the presentment of a Form STE-3 by the purchaser shall reference the exemption number shown on the Form STE-3 upon the invoice or billing to the certificate holder.

(13) Any person providing utility services or mobile communication services tax-exempt who relies in good faith on a Form STE-3 and reasonably believes the tax exemption claim is legal shall not be held liable for utility tax or mobile communication services tax subsequently determined by the Department to be due on the sale for which the certificate was received. Instead, the Department will collect or recover the tax due from the party or parties who made the illegal tax-free purchase with the Form STE-3 and the person or persons who benefited from the illegal use of the Form STE-3. (Sections 40-21-88 and 40-21-125)

(14) Other than a utility tax direct pay permit issued pursuant to Utility Tax Rule 810-6-5-.26.02, Form STE-3 is the only exemption certificate or exemption number which relieves the utility provider, when acting in good faith and exercising reasonable care, of liability for any utility tax later determined by the Department to be due on a sale for which an exemption was originally claimed by the purchaser. (Sections 40-21-88 and 40-21-125)

(15) Form STE-3 is the only exemption certificate or exemption number which relieves the mobile communication services provider, when acting in good faith and exercising reasonable care, of liability for any mobile communication services tax later determined by the Department to be due on a sale for which an exemption was originally claimed by the purchaser. (Sections 40-21-88 and 40-21-125)

(16) The Department may use its powers and responsibilities, in accordance with the general laws of this state, to collect or recover any utility taxes or mobile communication services taxes due on purchases made illegally with any Form STE-3 from the party or parties using the Form STE-3 and the person or persons who benefited from the illegal use of the Form STE-3, if the utility provider or mobile communication services provider acted in good faith and reasonably believed the tax exemption claim was legal. Powers which may be used by the Department shall include the authority granted under Chapter 2A of Title 40, Code of Alabama 1975, to examine the certificate holder's records; assess tax, penalties, and interest against the certificate holder; and file tax liens against the certificate holder. (Sections 40-21-88 and 40-21-125) (Sections 40-21-88 and 40-21-125) (Adopted through APA effective April 6, 2000, amended May 24, 2002, amended effective December 14, 2007)
