Municipality / County of _____

Act 2012-279 requires ACH Debit payment at the time the return is filed, unless the locality approves ACH Credit payments. If the locality does not accept ACH Credit payments, ACH Credit taxpayers will not be able to file that locality's return through ONE SPOT. An ACH Credit method payment requires the taxpayer contact his/her banking institution to initiate payment to the appropriate taxing jurisdiction; therefore, the taxpayer must be provided the locality's banking information (bank routing number and bank account number).

Will your locality accept ACH Credit payments from taxpayers approved by ADOR for ACH Credit payments?

_____ Yes _____ No

If Yes, will your locality allow the Department to provide your bank deposit information to approved ACH Credit taxpayers? If not, the taxpayer will be required to contact the locality for this information.

PENALTY CALCULATIONS:

In accordance with Sections [40-2A-11\(a\) & \(b\)](#), Code of Alabama 1975, returns filed after the due date are subject to a "**failure to timely file**" penalty equal to the greater of 10% of the tax required to be paid on the return or \$50. Tax payments received after the due date, are subject to a "**failure to timely pay**" penalty equal to 10% of the delinquent tax. Below is a detailed explanation of the application of the penalties by the e-filing system:

Failure to Timely Pay (FTTP) Penalty:

Taxpayers mandated pursuant to Section 41-1-20 of EFT Law to pay via EFT that choose ACH Debit Method:

Returns submitted online after 4:00 pm CST of the Due Date, a 10% FTTP penalty is applied and any discounts disallowed.

Taxpayers that are allowed to make payment via ACH Credit Method:

Returns submitted online after midnight CST of the Due Date, a 10% FTTP penalty is applied, and any discounts are disallowed.

Failure to Timely File (FTTF) Penalty:

All taxpayers, regardless of EFT payment method:

Returns submitted online after midnight CST of the Due Date, a FTTF penalty is applied which is the greater of 10% of the tax required to be paid on the return or \$50.

NOTE: The FTTF penalty is applied to **each Tax Type**, i.e. sales tax, sellers use tax, consumers use tax, rental tax, and lodgings tax, shown on the taxpayer's return. When multiple Rate Types (i.e. general, auto, manufacturing machine, farm, etc.) are filed for a given Tax Type, if the \$50 penalty is greater than 10% of the total tax due for the Tax Type, the \$50 penalty will be prorated equally among the Rate Types.
