TO: ALL PERSONS, FIRMS, AND CORPORATIONS making sales at retail and/or purchasing tangible personal property for use, storage, or other consumption in the **City of Dauphin Island**, Alabama, and its police jurisdiction (located in Mobile County).

*Sections 11-51-200, et seq., **Code of Alabama 1975***, authorize and empower municipalities to levy a true sales and use tax identical to the State Sales and Use Tax Laws except for the rates of tax and require the Alabama Department of Revenue upon request of the municipality to collect the tax.

On October 20, 2015, the governing body of the City of Dauphin Island adopted Ordinance No. 69B levying a sales and use tax **effective November 1, 2015**. The tax levied by this ordinance is an amendment to the sales and use tax levied by Ordinance No. 69A. The use tax rates are the same as the sales tax rates shown below:

Sales & Use Tax Rates:	<u>Old Rates</u>	<u>New Rates</u>
General Rate	4.50%	4.50%
Admissions to places of amusement and entertainment	4.50%	4.50%
Retail selling price of food for human consumption sold through vending machines	4.50%	4.50%
Net difference paid for machines, machinery, and equipment used in planting, cultivating, and harvesting farm products	4.50%	4.50%
Machines, parts, and attachments for machines used in manufacturing tangible personal property	4.50%	4.50%
Net difference paid for all automotive vehicles, truck trailers, semi-trailers, and house trailers	2.00%	2.00%

If sales are made and delivered to consumers, or purchases made for use, storage, or other consumption, outside the corporate limits of the City of Dauphin Island but within the police jurisdiction, the rates of sales and use tax are one-half the rates shown above.

The Law requires that the City of Dauphin Island sales and use taxes be collected, reported and remitted in the same manner as the State sales and use taxes. When you file and pay electronically, the City of Dauphin Island sales and use taxes are to be included on the electronic city/county tax return assigned to you (City and County Tax Return, form 9501). Simply enter the gross amounts and deductions, and all calculations will be done automatically for you. You may file these taxes through My Alabama Taxes (MAT) at http://myalabamataxes.alabama.gov/_/#1.

- (a) Upon every person, firm, or corporation, (including the State of Alabama, the University of Alabama, Auburn University and all other institutions of higher learning in the state, whether such institutions be denominational, state, county or municipal institutions, and any association or other agency or instrumentality of such institutions) engaged or continuing within the Town in the business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character, (not including, however, bonds or other evidences of debts or stocks, nor sale or sales of material and supplies to any person for use in fulfilling a contract for the painting, repair, or reconditioning of vessels, barges, ships and other watercraft and commercial fishing vessels of over five (5) tons load displacement as registered with the U.S. Coast Guard and licensed by the State of Alabama Department of conservation and Natural Resources), an amount equal to four and one half percent (4½%) of the gross proceeds of sales of the business except where a different amount is expressly provided herein. Provided, however, that any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such business at the rates specified, when his books are kept so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as retailer on the gross sales of the business.

- (b) Upon every person, firm or corporation engaged, or continuing within the Town, in the business of conducting, or operating, places of amusement or entertainment, billiard and pool rooms, bowling alleys, amusement devices, musical devices, theaters, opera houses, moving picture shows, vaudevilles, amusement parks, athletic contests, including wrestling matches, prize fights, boxing and wrestling exhibitions, football and baseball games, (including athletic contests, conducted by or under the auspices of any educational institution within the Town, or any athletic association thereof, or other association whether such institution or association be a denominational, a state, or county, or a municipal institution or association or a state, county, or city school, or other institution, association or school), skating rinks, race tracks, golf courses, or any other place at which any exhibition, display, amusement or entertainment is offered to the public or place or places where an admission fee is charged, including public bathing places, public dance halls of every kind and description within the Town, an amount equal to four and one half percent (4½%) of the gross receipts of any such business. The tax amount which would have been collected pursuant to this subsection shall continue to be collected by said public primary or secondary school but shall be retained by the school which collected it and shall be used by said school for school purposes.
- (c) Upon every person, firm or corporation engaged or continuing within the Town in the business of selling at retail machines used in mining, quarrying, compounding, processing, and manufacturing of tangible personal property, an amount equal to four and one half percent (4½%) of the gross proceeds of the sale of such machines; provided that the term "machines", as herein used, shall include machinery which is used for mining, quarrying, compounding, processing, or manufacturing tangible personal property, and the parts of such machines, attachments and replacements therefore which are made or manufactured for use on or in the operation of such machines and which are necessary to the operation of such machines and are customarily so used.
