Refund Status

To check the status of your current year refund, go to our Website at www.revenue.alabama.gov, then click on "Where's My Refund," or call the 24 hour toll free refund hotline at 1-855-894-7391.

How To Use This Instruction Booklet

The instructions for Form 40A are divided into four main sections.

- **Section 1** contains information on who must file, how to choose the correct form, and when to file a return.
- **Section 2** contains useful steps to help you prepare your return.
- **Section 3** contains specific instructions for most of the lines on your return.
- **Section 4** contains general information about such items as amending your tax return, how long to keep records, and filing a return for a deceased person.

If you follow the steps in Section 2 and the specific instructions in Section 3, you should be able to complete your return quickly and accurately.

When Should I Expect My Refund?

Wait At Least 90 Days For Your Refund

If you do not receive your refund within 90 days of mailing your return, go to www.revenue.alabama.gov, then click on "Where's My Refund," or complete Form IT: 489. Form IT:489 may be obtained from the Department's website under the Forms link or from any of our Alabama Taxpayer Service Centers listed on page 3 of this booklet. If you call about your refund, have a copy of your return with you or the Department may be unable to assist you.

Each year the Alabama Department of Revenue receives over 1.8 million income tax returns. Of this number, over 1 million taxpayers receive refunds. The Department makes every effort to process your refund as quickly as possible, and there are several things you, the taxpayer, can do to help us accomplish this.

The date you file your return and how you file determines when you can expect your refund. For example, electronically filed returns are received and processed significantly faster than returns that are mailed to the Department of Revenue. Also, if you mail in an error-free return in January or February, you can expect to receive your refund sooner than if you wait until March or April to file. Returns filed this close to the deadline may require 90 days to process.

Common Mistakes Which Delay Refunds

Incorrect Name. Your refund will be issued in the name(s) appearing on your return. If your name is illegible or misspelled, your refund may be issued in the wrong name.

Incorrect Address. Last year the U.S. Postal Service was unable to deliver thousands of refund checks due to incorrect addresses, or because the taxpayer moved and failed to leave a forwarding address.

Incorrect Social Security Number. Last year approximately 80,000 returns were received with missing or incorrect social security numbers. Your social security

number is very important; it is used for identification of your file. Please compare the number on your return with the number on your social security card.

Show in the blocks provided the social security numbers in the same order as the first names. For example, the social security number of the first name listed should be entered in the box headed "Your social security number." The social security number of the second name should be entered in the box headed "Spouse's social security number." If separate returns are filed, the person filing the return should enter his or her social security number in the box headed "Your social security number," and enter the spouse's social security number on line 3. It is very important that the social security numbers be listed in this order so your refund will be issued in the correct name.

Legibility. On many returns, the name, address, or social security number is not readable. If this happens, the wrong information may be recorded, and your refund may be delayed. Make sure that the information you enter on the return is readable.

Missing Withholding Statement (W-2). Make certain the "State Copy" of all forms W-2 wage and tax statement are attached. The Department will consider the return incomplete if all required information is not included.

Incorrect Computation. Many returns must be corrected each year by the Department due to simple math errors. Before mailing your return, double check the addition and subtraction to make sure the math is correct. This is a good idea even if someone else prepares your return.

Misdirected Mailing. Each year thousands of returns are mailed to the Internal Revenue Service instead of the Alabama Department of Revenue.

Filing More Than One Return. File only one Form 40, 40A, 40EZ, 40NR or electronic return for each tax year. If it is necessary to amend your original return you must file a completed return with the "Amended Return" box checked. The amended return will be processed after your original return has been processed.

Filing Copies. A copy of a return is not acceptable unless it has the taxpayer(s) **original signature(s)**.

Missing Signatures. Thousands of unsigned returns are received each year by the Department. Before we can process them, these returns must be returned to the taxpayers for signatures. If a joint return is filed, both

spouses must sign the return.

Other Reasons For Refund Delays

You Have Not Paid All Taxes Due From a Previous Year. If you owe tax for a prior year, your refund will be applied to pay that deficiency. Any amount remaining will be refunded to you. This will generally delay your refund 12 weeks or more.

Setoff Debt Collection. If the Alabama Department of Human Resources, Alabama Department of Labor, the Administrative Office of Courts, the Alabama Medicaid Agency, the Alabama League of Municipalities or Association of County Commissions or local governmental entities, has notified the Alabama Department of Revenue that your account is delinquent on a debt repayment, any public assistance program (including the Child Support Act of 1979, Chapter 10, Title 38), any Medicaid assistance program, your refund will be applied to that debt. See Setoff Debt Collection on page 13 for further information.

Federal Refund Offset Program. Your 2022 federal or state refund will be taken to satisfy any outstanding liabilities owed to the State of Alabama or to the Internal Revenue Service.

SECTION

1 Filing Information

First, be certain you need to file a tax return. Your marital status, filing status, and gross income determine whether you have to file a tax return. Gross income usually means money, goods, and property you received on which you must pay tax. It does not include nontaxable benefits. See page 7 of the instructions to find out which types of income you should include.

Other Filing Requirements

Refunds. Even if your income was less than the amounts shown, you must file a return to get a refund if Alabama income tax was withheld from any payments made to you.

Domicile. Individuals who are domiciled in (or residents of) Alabama are subject to tax on their entire income, whether earned within or without Alabama. This is true regardless of their physical presence within Alabama at any time during the taxable year. Domicile is where one lives, has a permanent home, and has the intention of returning when absent. Domicile may be by birth, choice, or operation of law. Each person has one and only one domicile which, once established, continues until a new one is established coupled with the abandonment of the old. Burden of proof regarding change of domicile is on the taxpayer even though he/she owns no property, earns no income, and has no place of abode in Alabama.

If an Alabama resident accepts employment in a foreign country for a definite or indefinite period of time with the intent of returning to the United States, the individual remains an Alabama resident and all income, wherever earned, is subject to Alabama income tax. This is true even if the taxpayer leaves no property in Alabama.

If a citizen of a foreign country comes to Alabama to work (no matter how long he stays), buys a home, secures an Alabama driver's license, does not intend to apply for U.S. Citizenship, and intends to ultimately re-

turn to the country of origin, the individual will be considered to have established domicile in Alabama. In other words, a foreign citizen domiciled in Alabama is liable for Alabama income tax on income earned from all sources.

Military Personnel (Residents). Military personnel whose legal residence is Alabama are subject to Alabama income tax on all income regardless of source or where earned unless specifically exempt by Alabama law.

Military personnel (Army, Navy, Marine, Air Force, Merchant Marine, and Coast Guard) who were residents of Alabama upon entering military service remain residents of Alabama for income tax purposes, regardless of the period of absence or actual place of residence, until proof regarding change of home of record has been made. The burden of proof is on the taxpayer though he owns no property, earns no income, or has no place of abode in Alabama. Under the provisions of the Soldiers' and Sailors' Civil Relief Act, military personnel are not deemed to have lost their permanent residence in any state solely because they are absent in compliance with military orders. In addition, persons are not deemed to have acquired permanent residence in another state when they are required to be absent from their home state by virtue of military orders. If the husband and wife are both in military service, each could be a resident of a different state under the Soldiers' and Sailors' Civil Relief Act. A spouse not in military service has the same domicile as his/her spouse unless proven otherwise.

Military Personnel (Nonresidents). Nonresident military personnel merely having a duty station within Alabama (whose legal residence is not Alabama) are not required to file an Alabama income tax return unless they have earned income from Alabama sources other than military pay. If they have earned income in Alabama other than military pay, they are required to file Alabama Form 40NR. A married nonresident military person with income earned in Alabama may file either a separate return claiming himself or herself only, or a joint return claiming the total allowable personal exemption. The "Military Spouses Residency Relief Act" (Public Law 111-97) states that the income for services performed by the spouse of a service member shall not be deemed to be income for services performed or from sources within a tax jurisdiction of the United States if the spouse is not a resident of the jurisdiction in which the income is earned because the spouse is in the jurisdiction solely to be with the service member serving in compliance with military orders.

Dependent's and Student's Income. Dependents who are residents of Alabama must file a return if they meet the requirements under You Must File A Return If... (on this page). A student's income is fully taxable to

the same extent as other individuals who are required to file a return. If a return is required, the dependent or student can claim a personal exemption of \$1,500, and his or her parents may claim a dependent exemption if they provided more than 50% of his or her total support. See dependent exemption on page 8.

When To File

You should file as soon as you can after January 1, 2023, but no later than the due date of your federal return. If you file late you may have to pay penalties and interest. (See **Penalties and Interest** on page 12.) If you know you cannot file your return by the due date, you do not need to file for an extension. You will automatically be granted an extension until October 15, 2023. If you anticipate that you will owe additional tax on your return, you should submit your payment with a payment voucher (Form 40V) with the box "Automatic Extension Payment" checked by the due date of your federal return.

Except in cases where taxpayers are abroad, no extension will be granted for more than 6 months.

An extension means only that you will not be assessed a penalty for filing your return after the due date. Interest on the additional tax due from the due date of the return and any penalties will be assessed, if applicable, to your return.

Original returns must be filed within two years of the date the taxes are paid to be eligible for a refund. Criminal Liability could result from a continued failure to file returns. (Refer to "Criminal Liability" on Page 12.)

Which Form To File

You MAY Use Form 40A If You Meet ALL Of The Following Conditions:

- You were a resident of Alabama for the entire year,
- You do not itemize deductions,
- You do not claim any adjustments to income such as an IRA deduction, alimony paid, Federal income tax paid for a prior year, etc,
- You do not have income from sources other than salaries and wages, except for interest and dividend income, which cannot exceed \$1,500,
- You are not claiming income or a loss from Schedules C, D, E, or F, and
- You are not claiming credit for taxes paid to another state.

You MUST Use Form 40 If:

- You were a full or part-year resident of Alabama and do not meet ALL of the requirements to file Form 40A, and

- You are itemizing deductions.

You MUST Use Form 40NR If:

- You are not a resident of Alabama, you received taxable income from Alabama sources or for performing services within Alabama, and your gross income from Alabama sources exceeds the allowable prorated personal exemption. Nonresidents must prorate the personal exemption. If your Alabama gross income exceeds the prorated amount, or filing jointly under the Military Spouses Relief Act, a return must be filed.

You MUST Use Both Form 40 and Form 40NR If:

- You had sufficient income to require the filing of a part-year return and also had income from Alabama sources while a nonresident during the same tax year. In this case, both the total personal exemption and the dependent exemption must be claimed on the part-year resident return. No exemption can be claimed on the nonresident return. The part year resident return should include only income and deductions during the period of residency, and the nonresident return should include only income and deductions during the period of non-residency.

SECTION 2 Steps for Preparing Your Return

By following these five useful steps and reading the line-by-line instructions, you should be able to prepare your return quickly and accurately.

Step 1

Collect all your necessary records.

Income Records. These include any **Forms W-2** and/or **1099** that you have. If you do not receive a Form W-2 by February 1, or if the one you receive is incorrect, please contact your employer as soon as possible. Only your employer can give you a Form W-2, and only he or she can correct it.

If you have someone prepare your return for you, make sure that person has all your income and expense records so he or she can fill in your return correctly. Remember, even if your return is prepared by someone else, **you are still responsible**.

You Must File A Return If...

You were a:	and your marital status at the end of 2022 was:	and your filing status is:	and your gross income was at least:
Full Year Resident	Single (including divorced and legally separated)	Single	\$ 4,500

Part Year Resident	Single (including divorced and legally separated)	Single	\$ 4,500 (while an Alabama resident)
		Head of family	\$ 8,200 (while an Alabama resident)
	Married and living with your spouse at the end of 2022 (or on the date your spouse died)	Married, joint return	\$11,500 (while an Alabama resident)
		Married, separate return	\$ 5,750 (while an Alabama resident)
Nonresident	Single (including divorced and legally separated)	Single or head of family	Over the allowable prorated exemption:
	Married and living with your spouse at the end of 2022 (or on the date your spouse died)	Married, joint return	
		Married, separate return	

Step 2

Obtain any forms or schedules you may need.

Before filling in your return, look it over to see if you need more forms or schedules.

If you think you will need any other forms, get them before you start to fill in your return. Our Alabama Taxpayer Service Centers (see page 3 of these instructions for addresses) can supply the additional forms you need. Also see page 23 for more information. **The fastest way to obtain forms is to download them from our Web site at www.revenue.alabama.gov.**

Step 3

Sign and date your return.

Form 40A is not complete unless you sign it. Please sign in black ink only. Your spouse must also sign if it is a joint return. Original signatures are required or the return will not be accepted.

Step 4

Attach all W-2 or 1099 forms to your return.

Attach the copy of Form W-2(s) marked "To Be Filed With Your State Income Tax return" to the front of your return.

Step 5

Before mailing your return.

If you owe tax, complete Form 40V. Before mailing your return, be sure to include a completed Form 40V along with your payment loose in the envelope.

Make sure you have an exact copy of your return for your records.

SECTION

3 Specific Instructions

Name and Address

Please type or print your name, address, and social security number in the appropriate blocks.

If you live in an apartment, please include your apartment number in the address. If the post office delivers mail to your P.O. Box number rather than to your street address, write the P.O. Box number instead of your street address.

Social Security Number

Each year thousands of taxpayers file returns using an incorrect social security number. Usually this number belongs to another taxpayer. It is very important that you file your return using the correct social security number. Failure to use your correct social security number(s) in the space(s) provided **WILL DELAY** the processing of your refund. Listed below are a few of the common reasons why a social security number is reported incorrectly:

- failed to enter number on return,

- memorized wrong number,
- copied number wrong,
- gave an incorrect number to the tax preparer, or
- gave your employer an incorrect number.

IMPORTANT: Check your W-2 forms. Your employer may be reporting an incorrect number for you.

If you are married and filing a joint return, write both social security numbers in the blocks provided.

If you are married and filing separate Alabama returns, write your spouse's social security number on line 3.

If your spouse is a nonresident alien, has no income, does not have a social security number, and you file a separate return, check the "NRA" box and leave the block for your spouse's social security number blank. If you and your spouse file a joint return, your spouse must have a social security number.

If you or your spouse do not have a social security number, please get **Form SS-5** from a Social Security Administration (SSA) office. File it with your local SSA office early enough to get your number before April 15. If you have not received your number before April 15, file your return and write "applied for" in the block for your social security number.

IMPORTANT: Please notify the Social Security Administration (SSA) immediately in the event you have changed your name because of marriage, divorce, etc., so the name on your tax return is the same as the name the SSA has on record. This may prevent delays in processing your return.

Filing Status and Personal Exemption Lines 1 through 4

You should check **only** the box that describes your filing status. The personal exemption will be determined by your filing status on the last day of the tax year.

Single

Consider yourself single if on December 31, you were unmarried or separated from your spouse either by divorce or separate maintenance decree.

If you check box 1, enter \$1,500 on line 10.

Married

Joint or Separate Returns?

Joint Returns. Most married couples will pay less tax if they file a joint return. If you file a joint return, you **must report all income, exemptions, deductions, and credits for you and your spouse. Both** of you must sign the return, even if only one of you had income. The State of Alabama does recognize a common law marriage for income tax purposes. This only applies to common law marriages entered into before January 1, 2017. Common law marriages entered into January 1, 2017 and later are no longer recognized by the state of Alabama.

Caution: You cannot file a joint return if you are a resident of Alabama and your spouse is a resident of another state. You should file as "married filing separate."

You and your spouse can file a joint return even if you did not live together for the entire year. Both of you are responsible for any tax due on a joint return, so if one of you does not pay, the other may have to.

NOTE: If you file a joint return, you may not, after the

due date of the return, choose to file separate returns for that year.

If your spouse died in 2022, you can file a joint return for 2022. You can also file a joint return if your spouse died in 2023 before filing a 2022 return. For details on how to file a joint return, see **Death of Taxpayer** on page 12.

If you check box 2, enter \$3,000 on line 10.

Separate Returns. You can file separate returns if both you and your spouse had income, or if only one of you had income. If you file a separate return, report only your own income, exemptions, deductions, and credits. You are responsible only for the tax due on your own return.

NOTE: Alabama is not a community property state.

If you file a separate return, write your spouse's social security number on line 3 in the space provided. If your spouse is not required to file a return, attach a statement explaining why.

If you check box 3, enter \$1,500 on line 10.

Head of Family

An individual shall be considered "Head of Family" if, and only if, such individual is not married at the close of the tax year, is not a surviving spouse and their qualifying dependent is not a foster child.

You may check the box on line 4 **ONLY IF** on December 31, 2022, you were unmarried or legally separated and meet either test 1 or test 2 below.

Test 1. You paid **more than half** the cost of keeping up a home for the entire year, provided that the home was the main home of your parent whom you can claim as a dependent. Your **parent** did not have to live with you in your home.

OR

Test 2. You paid **more than half** the cost of keeping up a home in which you lived and in which one of the following also lived for more than 6 months of the year (temporary absences, such as for vacation or school, are counted as time lived in the home):

a. Your **unmarried** child, grandchild, great-grandchild, etc., adopted child, or stepchild. This child does not have to be your dependent.

b. Your **married** child, grandchild, great-grandchild, etc., adopted child, or stepchild. This child must be your dependent. But if your married child's other parent claims him or her as a dependent under the federal rules for **Children of Divorced or Separated Parents**, this child does not have to be your dependent.

c. Any relative you can claim as a dependent. (See definition of a dependent on page 10.)

If the person for whom you kept up a home was born or died during the year, you may still file as "Head of Family" as long as the home was that person's main home for the part of the year he or she was alive.

If you check box 4, enter \$3,000 on line 10.

Income

All income is subject to Alabama personal income tax unless specifically exempted by state law. The term "income" includes, but is not limited to, salaries, wages, commissions, income from business or professions, alimony, rents, royalties, interest, dividends, and profits from sales of real estate, stocks, or bonds. Military pay is taxable income except for compensation received for active service in a designated combat zone.

Examples of Income You MUST Report

- Payments received as a member of a military service generally are taxable except for combat pay and certain allowances.

Rounding Off to Whole Dollars

Round off cents to the nearest whole dollar on your return and schedules. You can drop amounts under 50 cents. Increase amounts from 50 to 99 cents to the next dollar. For example: \$1.39 becomes \$1.00 and \$2.69 becomes \$3.00.

Line 5

Wages, Salaries, Tips, Etc.

Report all W-2 information on Schedule W-2. See *Schedule W-2 instructions for more information.* On column B – "Income," enter the amount from Schedule W-2, Line 18, Column I plus Column J.

The amount shown in the box headed "State Wages" may not be the same as the amount taxable for federal purposes. Report all wages, salaries, and tips you received even if you do not have a Form W-2.

NOTE: State of Alabama employees will find that the amount taxable for state purposes is, in most cases, more than the amount taxable for federal purposes due to the fact that amounts deducted from their wages as "Contributions to the Alabama State Retirement System" qualify for deferral on the Federal return but do not qualify for deferral on the Alabama return.

Alabama Income Tax Withheld

Alabama tax withheld information must be reported on Schedule W-2. (See *Schedule W-2 instructions for more information.*)

The amount withheld is shown on the state copy of your Form W-2. This copy should be marked "To Be Filed With Your Alabama Income Tax Return."

NOTE: Do not change or alter the amount of tax withheld or wages reported on your Form W-2. If any amount is incorrect or illegible, contact your employer and request a corrected statement.

Do not include the following as Alabama income tax:

- Federal income tax,
- FICA tax (Social Security and Medicare),
- Local, city, or occupational tax, or
- Taxes paid to another state.

In Column A – "Alabama tax withheld," enter the total amount from Schedule W-2, Line 18, Column G.

Joint Federal and Separate Alabama Returns, or Part Year Residents. If a married couple elects to file a joint Federal return and separate Alabama returns, or if filing as a part year resident, the Federal income tax must be determined by a ratio of Alabama adjusted gross income to Federal adjusted gross income. This calculation is required regardless of the method used in claiming other deductions.

Line 15

Consumer Use Tax

Review the purchases you made during 2022. If you purchased items for use in Alabama from out-of-state sellers who did not charge sales or use tax, you owe consumers use tax on the items. If you made no purchases from out-of-state sellers, enter 0 (zero) on line 15 and check the box.
Use tax is the counterpart of the sales tax. State use tax is imposed at the same rate and on the same type of transactions as sales tax and is due from the consumer when the sales tax is not collected. When you purchase merchandise from a retail store or other business establishment in Alabama, the seller is required to collect sales tax on the purchase. When you purchase merchandise from a business located outside of Alabama, the seller might collect use tax on the purchase. However, not all out-of-state businesses are registered and

required to collect Alabama tax. As the consumer, you are responsible for ensuring that sales or use tax is paid on your purchases. When you purchase merchandise for storage, use or consumption in Alabama and the retail seller does not collect tax on the purchase, you must report and pay consumer use tax on the purchase price. Usually, these purchases are made from catalogs, over the internet, or by telephone and include items such as:

- Clothing
- Books
- Computers
- Computer Software
- Furniture
- Magazine Subscriptions
- Sporting Goods
- Jewelry
- Electronic Equipment
- CDs, DVDs, Audio & Video Cassettes
- Photographic Equipment
- Musical Equipment
- Automotive Accessories and Parts
- ATVs
- Lawn and garden equipment

Applicable State Use Tax Rates

The general use tax rate of 4% applies to all purchases of merchandise, except where a different rate of tax is expressly provided.
The automotive use tax rate of 2% applies to purchases of automotive vehicles. Where any used vehicle is traded-in on the purchase of a new or used vehicle, the

tax is due on the trade difference, that is, the price of the new or used vehicle purchased less the credit for the used vehicle taken in trade. The county licensing official will collect the tax due on purchases of automotive vehicles that are required to be titled or registered including purchases of automobiles, trucks, trailers, mobile homes, and motor boats. Do not include purchases of vehicles that are titled or registered in the calculation on the worksheet below. **You must report and pay the use tax due on other purchases of automotive vehicles including ATVs, off-road motorcycles, riding lawnmowers, self-propelled construction equipment, and other self-propelled instruments of conveyance.**

The agriculture use tax rate of 1-1/2% applies to purchases of machinery or equipment used in connection with the production of agricultural products, livestock, or poultry on farms and the replacement parts for such machinery or equipment. Where any used farm machinery or equipment is traded-in on the purchase of new or used farm machinery or equipment, the tax is due on the trade difference, that is, the price of the new or used machinery or equipment less the credit for the used machinery or equipment taken in trade.

Local Use Tax: City and County use tax may also be due and should be reported and paid to the appropriate local tax authority. For information about reporting local use tax, please see the department's website at www.revenue.alabama.gov.

Alabama Election Campaign Fund

If you wish to make a voluntary contribution to Alabama's Democratic Party or Republican Party, indicate the amount and party by checking the proper box(es) on lines 16a or 16b.

Each individual may contribute \$1 to either party. If a joint return is filed, each spouse may contribute \$1 to either party. If you make a voluntary contribution to this fund, it **WILL INCREASE** your tax.

The total amount entered on line 16a or 16b cannot exceed \$2 for a married couple filing a joint return, or \$1 for all other filers.

Line 19

Automatic Extension Payment

Enter on this line any payment you made on your Alabama automatic extension (Form 40V).

Line 20

Previous Payments

This line is for amended returns only. Enter the amount of your previous payment made with your original return and/or billing notices and amended return(s).

Line 22

Previous Refund

This line is for amended returns only. Enter the amount of your previous refund from your original return and amended return(s).

Line 24

Amount You Owe

If the amount on line 17 is larger than the amount on line 23, subtract line 23 from line 17 and enter the difference on line 24 — this is the amount you owe the State of Alabama. It must be paid using Form 40V.

Pay the full amount by **check or money order** payable to the "Alabama Department of Revenue." On your payment, write your social security number, day-time phone number, and "2022 Form 40A," and remit your payment with Form 40V.

Credit Card: For other payment options, please visit our website for more information.

How do I pay by ACH Debit? You may pay by ACH Debit by going to www.myalabamataxes.alabama.gov. Do not use Form 40V when paying by ACH Debit. You will need to have your bank routing number and checking account number to use this service. No fee is charged for this service.

If payment for the full amount of tax due is not paid by the due date of the return, you will be charged interest and will be subject to penalties. See **Penalties and Interest** on page 12. More importantly, if you submit your return **without payment**, a final assessment may be entered by the Department. A final assessment which is not appealed is as conclusive as a judgment of a circuit

court. The Department may then proceed with collection by issuance of legal processes including recording of **tax liens, garnishment of wages or bank accounts, levy, or a writ of seizure** directed to the county sheriff as provided by Sections 40-1-2, 40-2-11(16), and 40-29-23, *Code of Alabama* 1975.

NOTE: Make sure you complete all fields on Form 40V so that your payment can be properly credited.

Line 25

Overpayment

If the amount on line 23 is more than the amount on line 17, subtract line 17 from line 23 and enter the difference on line 25 — this is the amount you overpaid.

Line 26

Donation of Refunds

Enter amount from page 2, Part IV, line 2.

NOTE: Amounts contributed to these funds WILL REDUCE your refund. Also, once an election is made to contribute to these funds, that election is irrevocable and cannot later be refunded. If your return is corrected by the Department, the amount contributed cannot be used to pay any additional tax due.

Line 27

Refunded to You

Subtract the amount on line 26 from the amount on line 25. You should receive a refund for the overpayment. See **When Should I Expect My Refund?** on page 4 of this booklet for more information about your refund.

Sign Your Return

Form 40A is not complete until you sign it. Please sign in black ink only. Your spouse must also sign if it is a joint return. Original signatures are required or the return will not be accepted. If you are filing a joint return with your deceased spouse, see **Death of Taxpayer** on page 12.

Did You Have Someone Else Prepare Your Return? If you fill in your own return, the **Paid Preparer's Use Only** area should remain blank. Someone who prepares your return but does not charge you should not sign.

Generally, anyone who is paid to prepare your tax return must sign your return and fill in the other blanks in the **Paid Preparer's Use Only** area of your return.

If you have questions about whether a preparer is required to sign a return, please contact an Alabama Taxpayer Service Center.

The preparer required to sign your return MUST:

■ *Sign, by hand, in the space provided for the preparer's signature. (Signature stamps or labels are not acceptable.)*

■ *Give you a copy of your return in addition to the copy to be filed with the Alabama Department of Revenue.*

BEFORE signing and mailing your return, you should review it to make sure the preparer has entered the correct name(s), address, and social security number(s) in the spaces provided and reported all of your income. **REMEMBER**, you are responsible for the information on your return even if you pay someone else to prepare it.

Please enter your daytime phone number. This will enable us to contact you and help speed your refund

along if there are any problems with processing your return.

General Information

Part I (General Information) must be completed by all taxpayers. Please follow the line-by-line instructions on Form 40A to complete this section.

Dependents

A "dependent" as defined under Alabama law is an individual **other than the taxpayer and his or her spouse** who received over 50% of his or her support from the taxpayer during the tax year and also has one of the following relationships with the taxpayer:

Son	Stepfather
Daughter	Mother-in-law
Stepson	Father-in-law
Stepdaughter	Brother-in-law
Legally adopted child	Sister-in-law
Parent	Son-in-law
Grandparent	Daughter-in-law
Grandchild	If related by blood:
Brother	Uncle
Sister	Aunt
Stepbrother	Nephew
Stepsister	Niece
Stepmother	

NOTE: You cannot claim a foster child, friend, cousin, or your spouse as a dependent under Alabama law.

Birth or Death of Dependent. You can take an exemption for a dependent who was born or who died dur-

ing 2022 if he or she met the qualifications for a dependent while alive.

Support. You must have provided over 50% of the dependent's support in 2022. If you file a joint return, the support can be from you or your spouse. You **cannot** claim credit for a dependent if you gave less than 50% of the support under Alabama law as you can under federal law, in certain conditions.

In figuring total support, you must include money the dependent used for his or her own support even if this money was not taxable (for example: gifts, savings, welfare benefits). If your child was a student, do not include amounts he or she received as scholarships.

Support includes items such as food, a place to live, clothes, medical and dental care, recreation, and education. In figuring support, use the actual cost of these items. However, the cost of a place to live is figured at its fair rental value.

In figuring support, **do not** include items such as income taxes, social security taxes, premiums for life insurance, or funeral expenses.

NOTE: If you used Federal Form 8332 (Release/Revocation to claim exemption for child by custodial parent), or if you are NOT claiming a dependent as a dependent for this tax year – DO NOT fill out (4) Did you provide more than one-half dependent's support.

SECTION 4 General Information

This section contains general information about items such as amending your tax return, how long to keep records, and filing a return for a deceased person.

Direct Deposit Information

We are currently working to implement direct deposit for all paper returns. However, for the 2022 tax year this option will be **available only for Alabama Form 40** Individual Returns. In order to receive a direct deposit refund, your paper return must be prepared using tax preparation software that utilizes **2-D Bar Code** technology.

Penalties and Interest

Interest. Interest is charged on taxes not paid by their due date even if an extension of time is granted. If your return is not filed by the due date and you owe additional tax, you should add interest from the due date of the federal return to date of payment. Submit payment of the tax and interest with your return. The interest rate is the same as currently prescribed by the Internal Revenue Service. Any of the Alabama Taxpayer Service Centers listed on page 3 of this booklet can give you the current rate of interest at the time your return is filed.

Failure To Timely File a Return. Alabama law provides a penalty of 10% of the tax due or \$50.00, whichever is greater, if the return is filed late. This

penalty does not apply to a tax return filed indicating no tax due or a refund.

Failure To Timely Pay Tax. The penalty for not paying the tax when due is 1% of the unpaid amount for each month or fraction of a month that the tax remains unpaid. The maximum penalty is 25%.

NOTE: If you include interest and/or either of these penalties with your payment, identify and enter these amounts on the bottom margin of Form 40A, page 1. Do not include interest or penalty amounts in "Amount You Owe" on line 24.

Other Penalties. There are also penalties for filing a frivolous return, underpayment due to negligence, underpayment due to fraud, substantial understatement of estimated tax, and failure to file estimated tax.

Any person failing to file a return as required by Alabama law or filing a willfully false or fraudulent return will be assessed by the Alabama Department of Revenue on the basis of the best information obtainable by the Department with respect to the income of the taxpayer.

Criminal Liability. Section 40-29-112, *Code of Alabama 1975*, as amended, provides for a more severe penalty for not filing tax returns. Any person required to file a return who willfully fails to file the return is guilty of a misdemeanor and, if convicted, will be fined not more than \$25,000 or imprisoned not more than 1 year, or both. Section 40-29-110 provides that any person who willfully attempts to evade any tax or the payment of any tax is guilty of a felony and, if convicted, will be fined not more than \$100,000 or imprisoned for not more than 5 years, or both. These penalties are in addition to any other penalties provided for by Alabama law.

Address Change

If you move after filing your return you should notify the Department of Revenue by sending a Change of Address Form available on the Department's website under Forms to: **Alabama Department of Revenue, Income Tax Administration Division, P.O. Box 327410, Montgomery, AL 36132-7410.**

Writing To The Alabama Department of Revenue

Be sure to include your social security number and phone number in any letter to the Alabama Department of Revenue. (See **"Where To File,"** page 10.)

How Long Should Records Be Kept?

Keep records of income, deductions, and credits shown on your return, as well as any worksheets used to figure them until the statute of limitations runs out for that return. Usually this is 3 years from the date the return was filed. If income that should have been reported was not reported and the income omitted is in excess of 25% of the stated income, the period of limitation does not expire until 6 years after the return was filed or 6 years after the due date of the return, whichever is later. **There is no period of limitation when a return is false or fraudulent, or when no return is filed. Therefore, we recommend that all records be kept for seven years.**

Also, keep copies of your filed tax returns as part of your records. You should keep some records longer than the period of limitation. For example, keep property records (including those on your own home) as long as they are needed to figure the basis of the original or replacement property. Copies of your tax returns will help

you prepare future returns, and they are necessary if you file an amended return. Copies of your returns and your other records may be helpful to your survivor, or the executor or administrator of your estate.

Requesting a Copy of Your Tax Return

If you need a copy of your tax return or tax account information use **Form 4506-A**, Request for Copy of Tax Form or Income Tax Account Information. The charge for a copy of a return is \$5. There is no charge for tax account information.

Amended Return

If you have already filed a return and become aware of any changes to income, deductions or credits, you should file an amended tax return. You should file a completed Alabama Individual Income Tax Return with the "Amended" box checked. A detailed explanation page of all the changes made should be attached to the tax return.

NOTE: If your State return is changed for any reason, it may affect your Federal Income Tax liability. This would include changes made as a result of an examination of your return by the Alabama Department of Revenue. Contact the Internal Revenue Service for more information.

Death of Taxpayer

If a taxpayer died before filing a return, the taxpayer's spouse or personal representative must file a return for the person who died if they were required to file a return. A personal representative can be an executor, administrator, or anyone who is in charge of the taxpayer's property.

The person who files the return should check the box indicating which taxpayer is deceased and provide the date of death in the space provided. A copy of the death certificate must also be attached to the return.

If the taxpayer did not have to file a return but had tax withheld, a return must be filed to receive a refund.

If your spouse died within the tax year, you can file a joint return even if you did not remarry. You can also file a joint return if your spouse died before filing the return. A joint return should show both your and your spouse's income during the tax year. Also, write "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

If you are claiming a refund as a surviving spouse filing a joint return with the deceased and you follow the above instructions, no other form is needed unless you receive a joint refund check and the refund check should be reissued in your name only. In such case, you will need to file Form 1310A.

Form 1310A is used when you are a surviving spouse requesting reissuance of the refund check in your name only, a court-appointed or certified personal representative and did not file paperwork with decedent's original return, or any other person claiming the refund for the decedent or on behalf of the decedent's estate.

Automatic Extension

If you know you cannot file your return by the due date, you do not need to file for an extension. You will automatically be granted an extension until October 15, 2023. If you anticipate that you will owe additional tax on

your return, you should submit your payment with a payment voucher (Form 40V) by the due date of the federal return.

Except in cases where taxpayers are abroad, no extension will be granted for more than 6 months.

An extension means only that you will not be assessed a penalty for filing your return after the due date. Interest on the additional tax due from the due date of the return and any penalties will be assessed if applicable to your return.

Setoff Debt Collection

If you owe money or have a delinquent account under any of the following public assistance programs,

your refund may be applied to offset that debt:

- Any and all of the public assistance programs administered by the Alabama Department of Human Resources, including the Child Support Act of 1979, Chapter 10 of Title 38.

- Any and all court fees/fines owed to the Administrative Office of Courts.

- Any local governmental entities.

- Any and all of the assistance programs administered by the Alabama Medicaid Agency.

- Overpayment of unemployment compensation.

If the Alabama Department of Human Resources, Department of Labor, the Alabama Medicaid Agency, or Administrative Office of Courts, the Alabama League of Municipalities or Association of County Commission, no-

tifies the Alabama Department of Revenue that you have a delinquent account in excess of \$25, part or all of your refund may be applied to offset that debt. If you are married and filing a joint return, the joint refund may be applied to offset any of the above debts.

***IMPORTANT:** If you have been assessed taxes from a prior year, your current year refund will be applied to that debt even if the liability resulted from a jointly filed return.*

Federal Refund Offset Program. Your 2022 federal or state refund will be taken to satisfy any outstanding liabilities owed to the State of Alabama or to the Internal Revenue Service.

Tax Table

(Form 40A)

Based on Taxable Income

This tax table is based on the taxable income shown on line 13 of Form 40A and the filing status you checked on lines 1, 2, 3, or 4 of your return.

EXAMPLE:

Mr. and Mrs. Brown are filing a joint return and checked box 2 on their return. Their taxable income on line 13 of Form 40A is \$23,360. First, they find the \$23,300 - \$23,400 income line. Next, they find the column for married filing jointly and read down the column. The amount shown where the income line and the filing status column meet is \$1,088. This is the amount they must write on line 14 of Form 40A.

Federal/State Electronic Filing Program

Your professional tax practitioner can file both your Federal and State returns by using the E-File Program or can print a 2-D Barcode for you.

Free Filing of Federal/State Return

Free electronic filing of your Alabama and Federal Income Tax Returns are provided for low income wage earners, senior citizens, students, and active duty military personnel. For more information on the qualifications, visit our website at <https://www.revenue.alabama.gov/individual-corporate/individual-income-tax/individual-income-tax-electronic-filing-options/>

Federal/State On-Line Filing Program

You can file your own Federal and State return on-line by purchasing the program from a local retailer or going to <https://www.revenue.alabama.gov/individual-corporate/approved-software-vendors/> to see a listing of Approved On-Line Service Providers. If you do not want to file electronically, these programs will print out a 2-D Barcode.

2-D Barcode Filing Program

All the programs above should produce a 2-D Barcode for you. Also, you can print a 2-D Barcode by using our fillable Form 40 or Form 40NR which you can obtain at <https://www.revenue.alabama.gov/forms/>. After you fill out the form and print it, a 2-D Barcode will be produced on the top of the form. You can still mail your return, but use of the 2-D Barcode will ensure faster processing.
