Nexus Questionnaire and Voluntary Disclosure Processes Moving to My Alabama Taxes

Beginning September 1, 2023, the Alabama Department of Revenue (ALDOR) is upgrading and relocating access to our Nexus Questionnaire and Voluntary Disclosure Agreement (VDA) processes through our My Alabama Taxes portal at <https://myalabamataxes.alabama.gov>.

The Nexus Questionnaire is designed to allow business taxpayers to provide information to ALDOR for use in determining whether the taxpayer has a tax filing obligation with the state.

The Voluntary Disclosure Program is offered as a service to business taxpayers who want to become compliant with the tax laws of Alabama and limit their exposure for retroactive tax liability and penalties.

The first two weeks of September will be a transition period during which ALDOR will accept the electronic questionnaires and applications from the old portals; however, during this transition period we strongly encourage submission only through the My Alabama Taxes portal. As was available in the old portals, access to all questionnaires and applications will be available in one location.

Beginning September 15, 2023, electronic questionnaires and applications via the old Nexus and VDA portals will not be accepted.

Third-party submitters/representatives who do not already have an Agent (AGT-) account with ALDOR must register for a Bulk Filer/Agent account before submitting applications or questionnaires for their clients in My Alabama Taxes:

To submit in My Alabama Taxes, click “Nexus Questionnaire/Voluntary Disclosure Agreement” in the “Businesses” section on the homepage.
