Business License Tax Reporting and Appeals Act

Effective October 1, 2025, Act 2025-408 requires counties and municipalities to notify ALDOR if a private entity is contracted to collect business privilege taxes or business license taxes on behalf of the county or municipality. In addition, counties and municipalities who collect business license taxes or business privilege taxes will be required to submit annual reports to ALDOR regarding local business license taxes and business privilege taxes collected from businesses. ALDOR will provide additional information regarding the annual fiscal year report requirements later.

To comply with provisions of this act, complete the attached questionnaire and email it to licenseannualreport@revenue.alabama.gov or send it to the address below by August 1, 2025.
