SUBJECT: New License Plate Category – Alabama Is Aviation

The following organization has met the minimum application requirements necessary for production of its specialty license plate. Information regarding plate type and availability will be provided by the Alabama Department of Revenue.

Once the plate becomes available, the additional annual fee of **\$50.00** collected for this license plate category should be distributed and reported on the monthly **Motor Vehicle Tags Summary Statement** as outlined below:

Alabama Is Aviation License Plate Fee Distribution

Distribution Recipient	Amount
County Commission (2.5%)	\$1.25
Department of Senior Services (Line 112)	\$5.00
Department of Corrections (Line 107)	\$1.50
Department of Revenue (Line 113)	\$1.00
Alabama Is Aviation (Line 142)	\$41.25
Total Additional Fee	\$50.00

Attached are the revised **Motor Vehicle Tags Summary Statement (Rev. 08-26)** and **Extra Tag Fee Distribution Worksheet**, which have been updated to reflect the changes outlined above.

The revised forms should be used beginning with your August tag sales remittance submitted in September. Please make copies of the updated Summary Statement as needed and destroy all previous versions to ensure the use of current reporting forms.

For your convenience, the revised forms have also been posted to our website at <https://comptroller.alabama.gov>. To access the forms, select “Reports & Forms,” choose “Online Forms” from the drop-down menu, and then select “County Information.” Information may be entered directly into the online form.
